

Prophecy From The Lord

July 12, 2006

I entered my prayer closet at 09:30 this morning. As I was reading, at 10:00 the Holy Spirit said write. For an hour I recorded God's warnings this day. I pray please listen and fear the Lord in what He is saying.

"I have spoken many times in the past through My prophet to My People that they may repent. I still speak today to My people by My prophets that they may repent. My people have repented not and I change not. As the children of Israel defamed My prophets saying nothing has happened. My children today defame My prophets saying God would not do something like that and God is love and not judgment.

Heed My warnings by My prophet because what he speaks and what My other present day prophets that have died spoke, will happen just as they spoke My words of warning about My judgments. Repent this day of your sins of unbelief about My word and the words of My prophets. You are neither hot nor cold. Being lukewarm you will be judged with the world.

This is the day, today July 12, 2006, that My grace and mercy ends for those who have confessed My Son but do not obey My written word or heed My words by My prophets. You have been notified. I do nothing first without My prophets speaking. My people, My children those who have confessed My Son as your Lord and Savior, if you are in sin against My word by not obeying My word it is too late. You will be judged with the world if you die now or in judgments.

Humble yourselves now, repent now and seek those who are speaking and teaching My truth that you may be taught to prepare to be My Church that I am coming for. The time of fun and games of playing church is over. Just confessing My Son and expecting salvation with My Son is over. I am God. I am using My sword of correction that My Church will be made ready. My angels have marked those that are mine. They have walked in the midst among the meeting churches marking in My book those who are faithful. Those are the ones who will come out to be My Church as the nations roar and the earth vomits forth.

I am a God of longsuffering. For generations I have been judging this nation of My people to repent. Many have died in those judgments. Heed My warnings TODAY. Those numbers who died in the past are just a small number compared to what I am about to do. Repent. I say repent. Fear Me the living God and live. I am holy and righteous. I have been and I am the holy Father. I have and I will now discipline My children that they may repent and live. Repent, I say to all

churches. Examine yourselves. Without repentance, I will spit you out of My mouth because you are lukewarm, stagnant and smelly. You have no sense of honesty, courtesy or love for another. Enough is enough. I warn you this day. Those who heed My word, repent and seek Me in spirit and truth will be saved. Those who don't won't be saved.

Listen you who don't believe this message. As the nations roar and the earth vomits forth, you will see your multimillion dollar buildings fall and your leaders you worshipped die before your eyes all being turned to rubble. Then as you see all of this happening many of you will die also knowing that just before you die that your soul is lost because you listened not to My warnings by My prophets. I am God and I change not. My will will be done on this earth just as it is written and spoken. If you change not, My will will be done to you just as it is written and spoken.

Repent I say. Repent that you may serve me in these final days making yourself ready to be My Church that I am coming for. There will be no peace upon the earth. Repent and serve Me in spirit and truth and you will have peace within as you see the nations rage and the earth vomits forth." Amen.
