

A Vision From The Lord

I received on August 2, 2006 from the Lord a dream or a vision. This day August 3, 2006 in my prayer closet the Lord said it was a vision and to record and post it. This is the vision.

I was in an aircraft maintenance hangar. The sky was blue with the sun out. I heard what sounded like thunder and looked out the west door to see what was causing the noise of thunder with a clear sky. As I looked, I saw writing in the sky in bold print. As I began to read, I saw it was a warning from the Lord. But before I could even finish the first sentence, my eyes were drawn to the north. I saw lifting up from the horizon a mushroom cloud but no sound did I hear. As I continued to look, I saw the wind frontal cloud of dirt rolling toward me. I said to myself, it is too late to escape and that I shall die. The vision ended.

This is what the Lord spoke today. "I have warned My people by My prophets and they have not listen and not obeyed. It is now too late if My people die in My judgments. They have listened not and repented not of their sins. Death and hell will be their reward. Repent and live if you die. Without repentance if you die you will be judged with the world in the second death. Who has My grace and mercy? Only those who have repented to do My will."

Hebrews 12:17 17 And afterward, when he wanted his father's blessing, he was rejected. It was too late for repentance, even though he wept bitter tears. (NLT) Let us not be like Esau, thinking we have salvation. Let us do as Paul commanded. Examine ourselves to see if Christ is within us by the doctrine of Christ from the word of God and not the doctrines of man. Otherwise we are reprobates being blinded to our nakedness walking in the flesh thinking we have faith and not the spirit by faith.
