Warning To The Children Of God

As I went to my prayer closet this morning September 18, 2000, my spirit sensed quietness in the spiritual realm. I laid face down on the floor to pray and I started weeping. God was letting me sense his grief for his children again. Then the Lord God started speaking to me:

“They (My children) are too busy in this land called America seeking to satisfy the flesh. With plastic money, they can buy whatever their hearts desire. **But, I will take away their toys. I will shake this nation.** They will know I am God almighty. I am pouring out My Spirit through the ones I am raising up, the ones I have called and trained for they are obedient to My Spirit. They will be empowered to make my presence known and will not be denied. For I love mankind and seek to give them another chance to repent as I pour out My judgments. For I tarry not. I come.” Amen
