

Chosen By God

You may be asking yourself, who is John Kropf? I would like to share with you a little about my life. I was born in August 25, 1943 in El Dorado, Kansas. I was raised on a farm and graduated from El Dorado High School in 1961. In 1962 I married Margaret E. Long. I served in the United States Air Force during the Viet Nam era. We raised a son and daughter. We owned and operated an electronics business for 26 years in Meade, Kansas. I ran from God for 52 years.

I accepted Jesus Christ as my Lord and Savior August 6, 1995. On that date He also supernaturally healed my 29 years of suffering from Crohn's disease. In June of 1999, I received the baptism of the Holy Spirit. In August of 1999, the Lord began to give me dreams and visions and the interpretation of those dreams and visions. Then I began to hear the voice of the Lord. I have recorded 99% of what the Lord has given and shown me. I never asked for any of this to happen. But my consistent prayer was always 'more of you God'. He has blessed me with these special visions, dreams and messages. God chose and called me for a purpose. I have remained faithful by answering the call and obeying the Holy Spirit.

In June of 2000, the Lord instructed me to travel to Arkansas. He told me that I would receive my 'mantle' there. The only place we knew in Arkansas was a campground near the city of Rogers, so that is where we went. While there, we met a minister of the gospel. We had never met him before this time, but were able to spend some time visiting with him. He came back to our camper a final time and said "The Holy Spirit said to give you this". It was a certificate of ordination.

One day in July of 2000, I stopped in the midst of my Bible study and said "God you are going to move us, aren't you?" That night the Lord confirmed the move in a dream. From that time through February 2001, the Lord supernaturally orchestrated our move to Rogers, Arkansas. We sold all our business assets, our business property and our home. This is a farming community of 1500 people. Normally it takes months, sometimes years to sell property. After completing the sale contract on our business assets, we let it be known that we were moving. I advertised the business property on our letter sign at the front of our business on Thursday the same day the asset contract was signed. The next day the business property was sold. Then, people started coming to our front door or calling on the telephone; asking to buy our house. We sold our home to the first person who looked at it. He quickly found a buyer for his rural property and the buyer for his rural property found a buyer for his city property. All this occurred in less than 10 days. God was in control and answering the prayers of many. These events were a sign and encouragement from God. The owner of the Meade abstract office said

she had never seen anything like that happen before. Both properties sold for the appraisal prices, no questions asked. Isn't God great? I have been taught and guided by the Holy Spirit since August 1999. What I have shared in only a small part of how the Lord has operated in our lives. Now, by the direction of the Holy Spirit, comes the time to share a portion of what I have recorded and been taught. God is calling, warning and teaching, but will we listen, learn and obey. God's Word is truth. Do we know the whole truth of God's Word?
