

Preface

I

Acts 2:16-18 **16** *But this is that which was spoken by the prophet Joel;* **17** *And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams:* **18** *And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy:*

The Holy Spirit has guided me to assemble these warnings and teachings that follow. These are dreams, visions and prophecies that have been given to me since August 1999. What is presented is only a small portion of what the Holy Spirit has given me in the format of comfort, teachings and warnings. I pray that as you read this material the Holy Spirit will speak to you that you may be prepared in the days ahead. We are in the latter days of these last days. Our Lord Jesus Christ will have his Church according to the Word before he comes. To those who seek God daily in prayer much of this will give confirmation to what God has been speaking to you. To those who have no knowledge of the warnings, seek God in your prayer closet as you would seek gold and silver. God wants none without knowledge and wisdom and God does nothing without warning first. God loves us so much and he wishes no one to be lost. However, he will judge and discipline the disobedient. If there is repentance, a soul will be saved from hell. That soul could be mine or yours or anyone who has lost the way and slipped off of the narrow path. Remember the path is narrow and few find it and those who have found the path must keep their eyes upon Jesus Christ and be holy as God is holy. Who wants to hear on that day, “depart from me for I never knew you who work iniquity?”

When the dreams began in August 1999, the first five dreams taught that we are to have faith and believe in God, stay in the body of Christ (the church), be nurtured by the body of Christ (the church). All things for you and your family are possible with God and in Christ you can be who you want to be. Then the dreams and interpretations moved to teaching about how sin has become acceptable in the lives of Christians, church leaders and the churches. There was dream after dream on this subject of the sins and the consequences of those sins. I received dreams on how big name ministries are in sin. In my dreams I saw those who are serving God in the days ahead will be persecuted for obeying the truth of the Word and I saw the physical conditions of the world they would be working in. Later in that first year I started hearing the voice of God, Jesus Christ and the Holy Spirit along with

continuing dreams and visions. Now the Holy Spirit is adding to what I have recorded in past years confirming what has been spoken will be fulfilled. An example is, the first warning that the Lord spoke to me was eleven months after the first dream (September 16, 2000), then almost two years later (August 21, 2002) the Lord God added to the first warning. I typed that warning in caps, for when the Lord God speaks you take heed of his voice. It is the voice of authority. The voice of Jesus Christ is a voice of love and tenderness. The Holy Spirit is the voice of a patient school teacher.

Please understand that when the Lord first started speaking to me I was an infant in Christ. At first I wrote down everything I received from the Lord. But, I did not understand the purpose of the dreams or why I was to record them. I stumbled and got lazy after a while and quit writing down the dreams. I thought I could remember them. About six months later, the Lord chastised me for my laziness. I then sat down to record the dreams and guess what; I couldn't remember all the contents of the dreams. I prayed and asked God to bring to memory the dreams and he was faithful and did so. It is so easy for us to fall off the narrow path and treat as common the holy things of God and what God is doing in our lives. If we repent, God is faithful to forgive. He never gave up on me and he won't give up on you. As I grew in the Word, the Lord added to my understanding of the dreams and visions. We must be faithful in where God plants us and the training he is putting us through. It is a time of testing and preparation for our service to him in his time and place. Many times when I record what I dream or hear, the Holy Spirit points out a scripture later as I read the Bible and tells me to add that scripture to that dream or teaching or he speaks giving additional teaching as I reread as he has commanded. I view this as evidence that the works of the Kingdom of God are on going.

II

Because we rush and hustle to pursue worldly things, we have lost sight of God and his Kingdom. We are calling ourselves Christians, but we are acting just like the rest of the world. We are like dogs and cats fighting over territory with no patience. What happened to humility and a servant's attitude? Are we holy as God is holy? Jesus Christ set the example that we are to follow. Jesus spoke in the four gospels the things we are to do to follow him so that we will not compromise his Kingdom in our speaking, living and witnessing for him.

Brothers and sisters, we have lost our focus and we have forgotten who we are in Christ. We have compromised the Kingdom of God in exchange for our convenience. We have become sinners with no repentance. Why has this

happened? We no longer make time for God. We no longer prepare by the Word and obey the Spirit. God never stops wooing us back to his bosom. He loves us all, but our sin separates us from his Kingdom and blessings. We have become sick, weak and we are dying because we are acting just like the world.

Please pray while you read that you will understand that God is calling out to us to repent and return to true Christianity. Make time for God and prepare by his Word and his Spirit. There are no short cuts or steps that can be left out. The road is narrow and few find it. We as Christians claim we have found the way. But, what is our works besides nothingness. Who wants to hear on that day, depart from me you workers of iniquity for I knew you not?

Jesus Christ is coming for a church without spot or wrinkle. Today we as the body of Christ has dragged the robe of righteousness in the gutter for so long that it is torn and black with the sins of the world. As God judged the children of Israel for their sins, he is judging us this day and in the days to come. Our sins have become just as bad as Israel's was, if not worse. It is written that judgment begins in the house of the Lord. God judges us because he loves us. If he does not judge us, that would mean we do not belong to him, but are bastards belonging to the world. Prepare now while there is time and suffer not the hand of God's judgment.

In these latter days of the last days, the Lord wants only his truth to be spoken. Then we will not be deceived by the doctrines of man. We must understand our responsibility to the New Testament covenant and apply that responsibility to our lives. The Holy Spirit spoke this to me in prayer—"Those who travel the narrow path without being shod in the truth of My Word cannot cleave to the path, but will stumble and fall from the narrow path. They will be disqualified, for they refused the Spirit of truth."

III

The Word of God is likened to a forest. As the Word has many books and verses, the forest has many trees. One tree does not make a forest and one book or verse does not make a Bible. We cannot go to the forest and pick out one tree and state this is the forest. Just as we cannot go to any one book or verse of the Bible and state, I have found the truth. If we do, we are mistaken and become liars. We must look at the rest of the books and verses in the Bible and see how that one truth fits and applies with all of the truths.

A blind man cannot describe an elephant in detail, because he cannot see. We cannot proclaim a truth of the Word of God unless we know the whole Word of God. By proclaiming a partial truth without the whole truth, we become false

prophets deceiving many. Partial truth sounds good and tickles the ears of Christians and can lead them from the narrow path, if they lack the knowledge of the whole truth.

Remember the Word of God is written like a computer program. As with a computer program, a statement is made. After that statement is made it must be qualified as true or false by if' and' or' therefore' statement. The Word of God is the same. A verse quoted is true only when we do the if' and' but' or' therefore' to fully qualify the verse as being true as stated. Otherwise, by grabbing one verse without doing what it takes to qualify the statement, we become deceived and misled. We will suffer needlessly in deception because of the lack of knowledge of the whole truth.

We cannot assume that the man behind the pulpit or the man on radio and television preaches the whole truth. If we are washed in the Word, we will be like the people of Berea. We will be searching the Scriptures and see if what we heard lines up with the whole Word of God. The Word of God states that many deceivers have gone out into the world. Sadly many of these deceivers love God, but have missed the whole truth because they see 'one tree in the forest'. Because they have not considered the if' and' or' but' therefore' to qualify the statements they make. Pray for them to see the whole truth of the Word of God. Then they will preach the complete truth of the Word of God.

IV

As you read these Spirit guided studies, pray that the Holy Spirit teaches you the truth. God does not want us to be without knowledge. He wants us to know his truth and he wants us to apply that truth in our lives, so we will not be deceived. Remember Jesus Christ had to die for us, but he did not leave us without help or without power. We have the Comforter the Holy Spirit who is sent by the Father in the name of Jesus to teach us all things. The Holy Spirit will bring all things to our remembrance and he will show us things to come. If we receive the Holy Spirit according to the Book of Acts, we will receive power. God changes not and Jesus is the same yesterday, today and forever.

Since my first dream, the Lord has shown me his grief and tears. He has allowed me to share that grief and tears and it has opened my spiritual eyes and ears to see the cause of his grief and tears. The Spirit of God and of Jesus Christ has come into my prayer closet and we have grieved and cried together over the disobedience of the sons and daughters of God. Disobedience to God's Word and his Spirit is causing enmity among brothers and sisters who belong to different denominational churches and within the denominational churches. This has lead to

strife, disunity, distrust and conditional love among sons and daughters professing to be Christians. This leaves Christians without peace, love and joy according to the Word of God. God is no longer going to tolerate these behaviors and sin. The churches are not doing the works of Jesus and greater works. (See Mark 16:17-18, Matthew 10:1, 7-8) They are drinking damnation to themselves because they are unworthily partaking communion with Jesus. They have not completed the seven basic steps to salvation and maturity. (See 'Remember the Basics') Because of God's love, grace and mercy, he has been silent for a long time waiting for us to come into his truths. He has hoped our blessings would bring us to the truth. (see 'Follow the Instructions') God claims us and is our Father. Because we are his, he is now disciplining us with judgments, rebukes and chastisements.

Before God judges and while God judges he sends his prophets to warn of the judgments so we may repent. Who believes the prophets or even believes in prophets? God changes not and Jesus is the same yesterday, today and forever. We must repent and change in order to serve God and his Kingdom. Be the new cloth, partake of the new wine that Jesus is pouring out and place it in the new wine skin. Be the new man in Christ that is neither Jew nor Gentile. The old wine of church denominations, traditions, and doctrines will not be allowed in the church Jesus Christ is preparing out the judgments. It will be his Church according to the Word of God without spot or wrinkle. When I attend various meetings and churches, the Spirit consistently asks me "Where is My Church in all of this according to My Word?" Brothers and sisters I have not seen the Church of Jesus Christ according to his word. I have not seen a body working together in unity doing the greater works of Jesus Christ. Why is this? As you read and study, pray that you will see what the Holy Spirit is teaching. Let the Holy Spirit open your eyes to the whole truth of the Word of God and you will see as God sees and grieve as God is grieving. Let tears of repentance flow and seek God and his holiness. Jesus wants to make us shallow Christians [*lacking in depth of knowledge, thought, or feeling, being incomplete, incompetent, and incompatible*] into a remnant that seeks the whole truth. He wants to mature us in His Church by His shepherds according to His Word making us ready so he can return. Let us not die for lack of knowledge because we denied knowledge. But let us live because we sought, found and obeyed the truth of the Word of God which is knowledge. Fear the Lord and what he can do to us. This is the beginning of knowledge. With knowledge comes wisdom.

Jesus Christ spoke this to me December 4, 2001 and I repeat it again here. "I am building My Church out of the ashes of the existing churches. It will be on My foundation with all corners connected with no gaps or divisions. I will pour out My Spirit upon it for revival. My army will be made ready." Read the warnings

from the dreams God has given. Prepare now while there is time. Repent now, if you are experiencing the judgment of God. Repent now and not suffer the judgment of God. Repent and obey the whole Word of God. Repent for the Kingdom of God is at Hand. Repent, be a remnant for the Church Jesus Christ himself is preparing. Amen.
