The Soft Blue Light

A Thursday in May 2000

I was leaving a job site in my service truck after doing two way service work for a farm customer. His drive way was about ½ mile from the highway. Upon nearing the end of the drive way I had a sensation come up on my body and all of a sudden I was enveloped in this soft blue light and a feeling of peace came upon me. My eyes were open and I said out loud to God “I am in your hands God”. The soft blue light faded away and my heart went to beating rapidly in my chest. Whether God stopped my heart or I died I know not. I do know that the separation between life in the physical world and the spiritual world is only a step and is immediate with no delay between the two realms. It is a step, a breath, a blink of the eye and there is no fear only peace. I was so lifted up that it took my heart about 30 minutes to stabilize. I will never forget that soft blue light. Praise God.

The following week as I was doing my daily praying in my prayer closet before going to work, I asked God to show me something in the supernatural. Sometimes we humans in our flesh are dumb creatures in our thinking, but praise God he has patience and loves us. God then spoke to me in the spirit saying “Remember the soft blue light from last week?” I said yes God. God said “I showed you the supernatural last week and you walk in that soft blue light all the time for it is the light of my son Jesus and darkness can see that light and it is fearful.” Praise God that he loves us in spite of our shortcomings.

John 12:35-36 **35** Then Jesus said unto them, *Yet a little while is the light with you. Walk while ye have the light, lest darkness come upon you: for he that walketh in darkness knoweth not whither he goeth.* **36** *While ye have light, believe in the light, that ye may be the children of light.* These things spake Jesus, and departed, and did hide himself from them.
