

30

Three Dreams About Churches (Immaturity, Consequences And Reactions)

The first dream reveals the conditions of immaturity of and in the churches and the consequences of that immaturity. The second dream reveals the spiritual conditions of the churches pride as revealed through the eyes of the Lord and the consequences of that pride. The third dream shows the reactions of the church and church leaders as God's Heoieta's are sent forth to speak his truth.

January 2, 2002— The dream opened with great turmoil in the land. There were many buses, or flying machines in an open area with many people milling about. I saw myself climbing out of a window from the top floor of a building on to the roof. Sitting on the roof was a being that looked human but yet was not. I started speaking to him about all the activity going on below in the open field. As I sat talking to him, another form that I could not see took my hand and was trying to distract me by stroking my hand. I asked him the human like form where the buses or flying machines were going and how long it would take them to get there. I found out the machines belonged to him. He told me about the great distances the machines would travel and at the speed and the short time it would take them to arrive at their destinations.

Next I saw one of the machines in motion. I could not tell whether it was flying or going on the ground. I could see the driver or pilot in control through a window from the outside of the door. The window in the door had a wing window or vent window that opened like on an older car. I saw a child open the vent window and as soon as the window was opened the driver or pilot's body immediately turned into a skeleton and in the skull where the eye sockets were became points of burning orbs.

Then I saw the bus or flying machine landing back at the point of origination, but the landing was not good. I saw spilling out of the machine a large bag that was tied at the top. As it fell out the bag split open and out poured milk all over the area. Then I saw frogs hopping about and heard someone saying 'catch them they will not harm you'. As the frogs were caught, they bit and hurt the people catching them, for their lips were like razor blades cutting those who caught them. Then I saw grasshoppers attacking people and the people ran from the grasshoppers. The grasshoppers had the same type of lips as the frogs. As they lit upon the people they took bits out of them. The dream ended.

I sought the Lord for interpretation of the dream. He gave me the key sentence to unlock the interpretation and said to search the scriptures. As I did this the interpretation came forth from the Holy Spirit. The key was the bag of milk that split open and spilled over the area. Milk is spoken of in 1 Corinthians 3:1-3 and Hebrews 5:12.

1 Corinthians:1- 3 **1** Dear brothers and sisters, when I was with you I couldn't talk to you as I would to mature Christians. I had to talk as though you belonged to this world or as though you were infants in the Christian life. **2** I had to feed you with milk and not with solid food, because you couldn't handle anything stronger. And you still aren't ready, **3** for you are still controlled by your own sinful desires. You are jealous of one another and quarrel with each other. Doesn't that prove you are controlled by your own desires? You are acting like people who don't belong to the Lord. (NLT)

Hebrews 5:12-13 **12** You have been Christians a long time now, and you ought to be teaching others. Instead, you need someone to teach you again the basic things a beginner must learn about the Scriptures. You are like babies who drink only milk and cannot eat solid food. **13** And a person who is living on milk isn't very far along in the Christian life and doesn't know much about doing what is right. (NLT)

The milk spilling out is immature Christians. They never accomplished what the author in Hebrews spoke about in *Hebrews 6:1-3* **1** So let us stop going over the basics of Christianity again and again. Let us go on instead and become mature in our understanding. Surely we don't need to start all over again with the importance of turning away from evil deeds and placing our faith in God. **2** You don't need further instruction about baptisms, the laying on of hands, the resurrection of the dead, and eternal judgment. **3** And so, God willing, we will move forward to further understanding. (NLT) **John 3:5** **5** Jesus answered, *Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.*

Many have not understood the baptisms of water and the Holy Spirit or the laying on of hands to receive the gifts of the Spirit. Resurrection of the dead is faith based on knowledge according to the Word of God. *Acts 1:4* *And, being assembled together with [them], commanded them that they should not depart from Jerusalem, but wait for the promise of the Father, which, [saith he], ye have heard of me. 5 For John truly baptized with water; but ye shall be baptized with the Holy Ghost not many days hence. 8 But ye shall receive power, after that the Holy Ghost is come upon you:*

The turmoil in the land represents the dangers of the last days and many being deceived in their walk and relationship with Jesus Christ. **2 Timothy 3:2-9** **3** *You should also know this, Timothy, that in the last days there will be very difficult times.***2** *For people will love only themselves and their money. They will be boastful and proud, scoffing at God, disobedient to their parents, and ungrateful. They will consider nothing sacred.* **3** *They will be unloving and unforgiving; they will slander others and have no self-control; they will be cruel and have no interest in what is good.* **4** *They will betray their friends, be reckless, be puffed up with pride, and love pleasure rather than God.* **5** *They will act as if they are religious, but they will reject the power that could make them godly. You must stay away from people like that.* **6** *They are the kind who work their way into people's homes and win the confidence of vulnerable women who are burdened with the guilt of sin and controlled by many desires.* **7** *Such women are forever following new teachings, but they never understand the truth.* **8** *And these teachers fight the truth just as Jannes and Jambres fought against Moses. Their minds are depraved, and their faith is counterfeit.* **9** *But they won't get away with this for long. Someday everyone will recognize what fools they are, just as happened with Jannes and Jambres.*(NLT) **1 Timothy 4:2** *Now the Holy Spirit tells us clearly that in the last times some will turn away from what we believe; they will follow lying spirits and teachings that come from demons.***2** *These teachers are hypocrites and liars. They pretend to be religious, but their consciences are dead.* (NLT) **1 John 2:18** **18** *Dear children, the last hour is here. You have heard that the Antichrist is coming, and already many such antichrists have appeared. From this we know that the end of the world has come.* (NLT)

My crawling out of the window and up onto the roof means we as Christians must make a daily effort to be in the Word and in prayer seeking the face of God so we will know his voice and not be deceived. **John 10:4-5** **4** *And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his voice.* **5** *And a stranger will they not follow, but will flee from him: for they know not the voice of strangers.* (KJV)

The deceiver I was talking to in the dream was the Devil as an angle of light the great liar and deceiver. He was trying to sidetrack me with temptations and lies about what the machines were and the great things they could do by the unseen spirit trying to distract me. **2 Corinthians 11:13-14** **13** *These people are false apostles. They have fooled you by disguising themselves as apostles of Christ.* **14** *But I am not surprised! Even Satan can disguise himself as an angel of light.* (NLT) **2 Timothy 3:13** **13** *But evil people and impostors will flourish. They will go on deceiving others, and they themselves will be deceived.* (NLT) **John 8:44**

44 *Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.* (KJV)

The immature Christians were unknowing being led to the gates of Hell. The machines were the false doctrines being taught and believed by many. **2 Timothy 4:3-4** *3 For a time is coming when people will no longer listen to right teaching. They will follow their own desires and will look for teachers who will tell them whatever they want to hear. 4 They will reject the truth and follow strange myths.* (NLT)

When he opened the window the child exposed the truth that the devil was teaching false doctrines. **Romans 7:9** *9 For I was alive without the law once: but when the commandment came, sin revived, and I died.* (KJV) A child does not walk in sin until the day of their accountability. On that day sin is revived. Until that day, they are walking in the spirit with God seeing and sensing things in the spirit realm. The child saw the lies and who the liar was and exposed the spirit being lead of the devil.

Once exposed a great fear came upon the Christians (the bag of milk) who ran in all directions to escape the evil among them and knew not where to turn for help; as they had accepted only the first installment of the Spirit of Christ within them. **2 Corinthians 1:21-22** *21 It is God who gives us, along with you, the ability to stand firm for Christ. He has commissioned us, 22 and he has identified us as his own by placing the Holy Spirit in our hearts as the first installment of everything he will give us.* (NLT)

The devil sent many demons to attack them and they knew not spiritual warfare or how to use the keys of the kingdom. **Ephesians 6:10-18** *10 A final word: Be strong with the Lord's mighty power. 11 Put on all of God's armor so that you will be able to stand firm against all strategies and tricks of the Devil. 12 For we are not fighting against people made of flesh and blood, but against the evil rulers and authorities of the unseen world, against those mighty powers of darkness who rule this world, and against wicked spirits in the heavenly realms. 13 Use every piece of God's armor to resist the enemy in the time of evil, so that after the battle you will still be standing firm. 14 Stand your ground, putting on the sturdy belt of truth and the body armor of God's righteousness. 15 For shoes, put on the peace that comes from the Good News, so that you will be fully prepared. 16 In every battle you will need faith as your shield to stop the fiery arrows aimed at you by Satan. 17 Put on salvation as your helmet, and take the sword of the Spirit, which is the word of God. 18 Pray at all times and on every occasion in the power of the Holy*

Spirit. Stay alert and be persistent in your prayers for all Christians everywhere. (NLT)

Matthew 16:19 19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.(KJV).

The Christians were being destroyed because of their lack of growth in Christ. They had not searched Word of God for knowledge. *Hosea 4:6 6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children. (KJV)*

The Holy Spirit directed me to give the dream to Margaret (my wife) for her to interpret. She sought the Lord in prayer for guidance. Here is her interpretation as received from the Holy Spirit.

As things become more pressured and confusing toward the end times, everyone will be looking for answers and peace. (Turmoil in the land) The many buses or flying machines represent the different church denominations and people going here and there trying to satisfy their self and soul. The climbing out the window to the top of the building is getting away from all the worldliness and getting into a place of quiet so we can be alone with God. The being that looked human but was not is the Holy Spirit and he is trying to give us direction and purpose in our lives. He is giving us specific road signs that show the way to accomplish the charge given. The unseen are the evil spirits that are trying to coax us away from the path set forth by the Holy Spirit. Our prayer time will help us to discern the right voice and the correct path to follow.

The child opening the wing window represents people receiving and accepting the truth of the gospel with a child like faith. (A child will lead them) Not all will accept the truth. The driver shows that those who reject the truth will die. The pastors in the church that are leading people down a false path of hope will be damned. The only thing left will be the light of Jesus. (The burning orbs)

The large bag tied at the top, are the Christians that are complacent in their little church world all tied up snugly, not accepting the changes God has for the people and the nation. They are luke warm. The bag splits open when God shakes this nation and the churches will fall apart. People, immature Christians, will begin to see the deception brought upon them and they will begin to scatter. The frogs and grasshoppers are the preachers, teachers, and prophets that have been and are still telling the people they are okay (in their sin). Yet the destroyers are their doom because they have not prepared and matured to be strong in the day of trials.

March 1, 2002

I awoke a 6:45 AM and immediately began to record the dream I had. The Holy Spirit started giving me the interpretation of the dream.

The dream was about a hog farm operation. The farm bus had brought a group of visitors from the near by city to tour the farm. I saw the visitors in a furrowing house looking at the new born pigs. In this house the new pigs were lying on a twin bed with the sow laying on the floor between her bed of pigs and the next bed of pigs adjacent to her. The furrowing house had many beds of pigs. A mother sow laid by the bed of her litter. The sows were lying in their own excrement and there was a lot of it. I saw one of the visitors pick up one of the pigs and placed it on the floor by another sow one bed over. Realizing she should have not moved the pig, she picked it back up and put it back on its own bed. But it was too late. The sow of that litter got up on the bed and ate the pig for it no longer smelled of her litter, but of the other sow's litter.

Next, the tour group was going past the office of the farm manager and his door was open. The lady that had picked up the pig was trying to get the managers attention and to apologize about picking up the pig. The manager would not look directly at her, but was smiling at the visitors. The lady thought I will come back another day and visit with him. As soon as they moved on, the manager asked 'who was that woman and what did she want'?

As the tour was about to conclude, the news had spread over the farm of its financial collapse. The tour group was escorted to the farm tour bus and returned to town. The bus had a TV show featuring the farm's success and the great things it was doing in hog production. In the dream the tour guide had on a highway patrolman uniform. He was speaking but could not be heard over the TV audio. Someone on the bus shut off the TV and the group heard about how the farm manager was to be transferred to North Carolina. He had arthritis and the climate would be good for him there. Arriving back at town (the dream started to fade), the group was asked if they wanted a police escort out of town and they declined.

The Holy Spirit told me the following things. The farm is the denominational churches today. The pigs are new Christians of that church (the sow) and **the church lies in its own dung** (The Holy Spirit said to use the word dung) **of doctrines and programs**. Each bed and sow in the furrowing house was another church denomination. The lady on the tour knew the truth and was trying to show the pig more of the truth. The pig that was eaten by the sow shows that any of its children that are exposed to another truth will be expelled from the church. That church cannot stand truths of the other denominations. The lady tried to speak the truth of the Word to the manager, but he ignored the truth. The next day the truth of the Word was going to be spoken to the manager, but it was too late. He denied

the truth one day too long and was judged. The bus, the TV and the tour guide are the churches using worldly marketing by TV propaganda and tours saying look come and join us; our church has the best doctrines and programs for you. The church is saying we have the authority (the highway patrolman uniform represents authority) and we will lead (the police escort) you to salvation and heaven. The manager's transfer is the church denying the truth and running even when they know they have failed and the truth can set them free.

The Lord said—"As you stand naked (I was preparing to get dressed) I am exposing in the churches all of their nakedness and the dung in which they lie. If they will not repent and turn back to Me and obey My Word they will be hell bound by their choice; just as the manger in the dream was transferred and it was not to North Carolina but to hell. The sheep and the goats will be separated in the judgment upon this nation. The sheep lead to My pastures will be fed My truths so that they will be made ready."

The Holy Spirit said –"Even more will be revealed as the sheet is lifted or the veil removed in the days ahead for what I see you will see. I am exposing all of their ugliness and what they are. They have been warned in My Word for almost two thousand years, but they will not listen and obey the Spirit. They have denied the Spirit's presence in their midst. As many as I love, I rebuke and chasten for a last chance to repent (Revelation 3:19) in these latter days of the last days. But as always the choice is theirs to make. All things will be set in order before I come. I tarry not. I come."

After I recorded this and was listening to the Word on CD in Leviticus the Holy Spirit quickened my spirit to add these scriptures: *Leviticus 26:40-42* **40** *If they shall confess their iniquity,>>>>>. **41** >> >>>>>> , if then their uncircumcised hearts be humbled, and they then accept of the punishment of their iniquity: **42** Then will I remember my covenant >>>>>>>. (KJV)*

I added these scriptures from past studies: *Leviticus 10:1-3* **1** *And Nadab and Abihu, the sons of Aaron, took either of them his censer, and put fire therein, and put incense thereon, and offered strange fire before the LORD, which he commanded them not.**2** And there went out fire from the LORD, and devoured them, and they died before the LORD.**3** Then Moses said unto Aaron, This is it that the LORD spake, saying, I will be sanctified in them that come nigh me, and before all the people I will be glorified. And Aaron held his peace. (KJV) **Proverbs 28:9** **9** *He that turneth away his ear from hearing the law, even his prayer shall be abomination. (KJV)**

Date: June 2, 2002

I awoke at daybreak and heard birds singing outside. I dozed back to sleep and the Lord showed me this dream. When I awoke again at 7 AM, I remembered the dream and said 'Lord that was really a weird dream'. Immediately the Holy Spirit started giving me interpretation. My spirit was quickened and troubled at the same time for the Lord has spoken many times in the past days of what is about to unfold, but this time He spoke in a dream with pictures to show what he had said. He wanted to show the seriousness of the things to come.

The dream: I was going down the street in a town and saw a home that was in poor condition and a fairly new car sitting in the yard that had been burned. My first thought was from a fantasy movie, that the man in the home was a dragon and he spit fire at his car and burned it up. Another person showed up and said 'I will go up to the house and speak to the man, but would you take my new car and drive it out of harms way'.

I drove the car around the block and was looking back at the house. The next thing I knew I was driving the man's new car through a large pool of crude oil. It was up to the bottom of the car and as I looked out the door and could see the oil being picked up by the tires. I was driving slowly at the time and I continued to drive slowly out of the puddle of oil into an open field hoping the oil would come off of the tires without leaving the car a mess. As I was driving in the field the left front tire fell off.

I was going somewhere to report the oil spill and came upon a van that looked like my old service van. The back doors would not shut. The hinges were broken. A man came by and said oil spill and the damage to the car and the van was my fault. Then I saw the van had crashed head on into a building. I saw the headlights hanging out on a spring bouncing up and down. The driver side door would not shut and there was a gap four to six inches between the back side of the door and the door frame.

Then I saw men working on draining the oil spill. They had dug ditches and were draining the oil across the field where the car tire fell off. The oil was spreading everywhere. A man came by where I was standing at the van. He told me again that I shouldn't have reported the oil spill. I told him that they must take responsibility for their actions. Then I saw a man riding a unicycle with a bucket attached to the front and a pipe coming out of the bucket and a microphone attached. He was riding and speaking 'all is okay'. He announced that there were no problems or troubles. Reports of the oil spill were lies.

I was going by a large building and I knew there was going to be some kind of a meeting taking place. Traveling on down the road from the building I saw the electric company with their big bucket trucks putting insulating covers over the

high voltage wires just above the telephone or cable company lines. As I went down the road I could see that the professional job the electric company was doing in insulating their lines had become shoddy work. They had used any and everything trying to cover the electric wiring. Then I saw what looked like a telephone service tent hanging from the telephone cable.

The Holy Spirit has told me many times that ‘the churches will hate you when you start speaking My truths. They will attack you with many words and slander for they will change not’. This morning the Holy Spirit spoke in pictures and words.

Here is the interpretation I received. “The home in the poor condition and the car burned is what this nation will be like when My judgments are completed. The driver and his new car represent the church trying to smooth the fears of people of this nation with new church buildings and programs, but without contamination to themselves.” I asked the Lord what is the crude oil? The Lord asked me—“What is crude oil good for in its natural state?” I said nothing unless it is refined into a finished product. “The crude oil is man’s church doctrines that he spews forth from his mouth and he is drowning in his doctrines of lies. He will not let me refine him into the finished product that he could become. He denies My truth. As I judge this nation, I will judge the churches and I will shake their spiritual foundations, (the tire coming off the car). I will rip their spiritual doors off their hinges, (the doors of the van). Those churches that will not repent will crash and become useless, (the van crashing into the side of the building). This will not stop them from spreading the doctrines of untruth upon the world, (the spreading of the crude oil). They will continue to speak the lies they hold onto and come against those who speak God’s truth, (the man on the unicycle).” Then I said Lord, “what is the large building and why were the power lines being covered?” The Lord spoke—“They, the men of church doctrine will come together in unity, the unchanging churches, against My Heoieta’s¹, (the large building). They will insulate themselves from my power that could make them godly, (the electric lines being insulated). They will continue speaking and spreading lies by being false prophets in any way they can, (the service tent hanging on the telephone line).”

In past visions I saw two measuring sticks. One measuring stick covered the other measuring stick. God will cover man’s doctrines with His truth, no matter how hard man tries to spread his black, dirty, sticky doctrines of false prophecies. Jesus Christ will re-establish His Church in the latter days of the last days according to the Word as it is written. Amen.

¹ In prayer today January 5, 2002 I went into a deep sleep or trance and I saw words in the spiritual realm but only a few two letter words would come into focus. Finally I saw one word clearly. The word was **Heoieta**. Coming out of the sleep or trance the Lord gave me the punctuation of the word. It is (he’oi et’a). Then I was given the definition of the word.

Jeremiah 17:18 18 *Let them be confounded that persecute me, but let not me be confounded: let them be dismayed, but let not me be dismayed: bring upon them the day of evil, and destroy them with double destruction. (KJV)*

Heoieta is a messenger and a doer of the message. A Heoieta is to go forth as a bold leader. A Heoieta is to lead the children of the Lord into maturity of the spirit so that they may receive the mark of the Lord that will be seen by all in the spiritual realm. Angels will cheer and demons will fear for they know their time is about up.

After I recorded the above the Holy Spirit spoke this to me. “This is a heavenly language word. It gives me great pleasure to share it will you. It is most Holy. This is the first time this word has been spoken on the earth. Share the word with others and I will be giving you more words in the future.”
