Three Night Visions (Fire Of God's Judgments)

December 12, 2002. Night visions, 3 parts.

1. In this dream I was standing and looking afar at our business building in Meade, KS. I saw and heard a roaring fire coming out of what looked like a chimney on a building across the alley south of our old business building. I saw our building completely melted. Our service van was parked out back and flipped over. Then I saw Margaret walking out of the destroyed building. She was unharmed and untouched by the fire. I rushed to find the fire chief to tell him to turn off the gas in the building.

2. In this dream I was viewing all of the wickedness going on in this nation, sexual and otherwise. I would wake up and rebuke the devil, but as soon as I went back to sleep the dream started again. This happened two or three times, then the dream ended.

3. In this dream I was in a church meeting. There were entertainers on stage, but they were not very good. I was in the audience. I had my service tool pouch strapped on and in the tool pouch along with my tools I had a pistol. Then, all of my tools and the pistol were scattered about. During the rest of the dream I was trying to gather up all of my tools and trying to find the pistol.

Upon awaking that morning I asked the Lord about the first dream and he spoke and gave the interpretation of all three dreams.

1. What I saw was the fire of God's judgments. Those who God has called and serving him will walk through and out of the judgments without harm. When the Lord spoke of the fire of his judgments, I immediately began to think of how different fires of that magnitude could cause the damage I saw in the dream. The Lord immediately said—"It is the fire of my judgments, add nothing to what you saw." Also man has not the power to stop the judgments of God upon this nation."

2. The Lord was showing me in this dream that he see all sins of wickedness. There is nothing he does not see.

1 Chronicles 28:9 ⁹ "And Solomon, my son, get to know the God of your ancestors. Worship and serve him with your whole heart and with a willing mind. For the LORD sees every heart and understands and knows every plan and thought. If you seek him, you will find him. But if you forsake him, he will reject you forever. (NLT) *Jeremiah 17:9-10* ⁹ "The human heart is most deceitful and

*desperately wicked. Who really knows how bad it is? **10** But I know! I, the LORD, search all hearts and examine secret motives. I give all people their due rewards, according to what their actions deserve." (NLT) **Hosea 7:2 2** Its people don't realize I am watching them. Their sinful deeds are all around them; I see them all! (NLT) **Proverbs 5:21 21** For the ways of man are before the eyes of the LORD, and he pondereth all his goings. (KJV) **Proverbs 24:12 12** Don't try to avoid responsibility by saying you didn't know about it. For God knows all hearts, and he sees you. He keeps watch over your soul, and he knows you knew! And he will judge all people according to what they have done. (NLT)*

3. In this dream the Lord showed me that the tool holster with the tools represents man's doctrines and programs and the gun represents the power of man. Neither can man's doctrines and programs nor his power be used in the service to God. But only by the Spirit of God and his power and might may we serve him. But we must be born of the Spirit to have the power of God. God's Kingdom is not of words but of power.
