A Sewing Machine Needle

Date: June 2, 2000

As I was lying on my back in the presence of the Lord, he said roll over on your side. As I did my hand touched a piece of metal on the floor. I picked it up and I saw that it was a sewing machine needle. When I picked it up, God said “you will be a thorn in the side of churches. You will buffet them and they will hear the truth. The ones that want the truth, they will follow, and judgments upon those who don’t hear when the truth is spoken to them.”

Note—This happened in my prayer closet. I have been praying there for over three years. I have lain on the floor in the area where the needle was most every day in those three years. The room has been cleaned many times and there has never been a sewing machine in or near that room.
