A Parable: Rainbows

May 8, 2001

A rainbow is a thing of beauty and splendor. A rainbow is a promise made by God. Where is the rainbow in your life? Have you kept your promise to God? How do you see a rainbow? Is it by the sun only? Is it by the clouds and rain only? What does it take to make a rainbow?

We are all to be rainbow makers. To see a rainbow it takes the sun, the clouds and the rain together. Taking the gospel of Jesus Christ to the world, we are sunshine by the light of Jesus. The clouds and rain of the unsaved mixed with our sunshine brings rainbows for God to see when the unsaved accept Jesus into their lives. That is how we are to make rainbows for God.

Do you have sunshine in your life with Jesus? Or is your sunshine turned to clouds and rain for lack of Jesus being first in your life? Sunshine only comes for us when we put Jesus first in the morning at midday and at night. Sunshine comes only when we spend much time in our pray closet seeking Jesus. Sunshine comes only when we spend time in the Word of God and obey the Word. Sunshine only comes when we love our neighbors as ourselves. Sunshine only comes when we speak out of our mouths that which is edifying, that is may minister grace to the hearer, and grieving not the Holy Spirit. Sunshine only comes when we speak the truth of the Word of God in love and growing up into the Lord Jesus Christ in all things. Sunshine only comes when we let the peace of God rule in our hearts and refuse to worry about anything. Sunshine only comes when we let not the Word of God depart from before our eyes for it is life to us and health and healing to all of our flesh. Sunshine only comes when we go forth as a believer with these signs following us; in the name of Jesus casting out devils, speaking in new tongues and laying of hands on the sick and they recover.

Be a rainbow maker. Seek you first the Kingdom of God and all other things will follow. Take the gospel of Jesus and speak it with boldness into the world making sunshine. Mix it with the clouds and rain of the unsaved and make a rainbow for God. God gave his promise with a rainbow. Let us keep our promise and make rainbows for God. You reap what you sow. Are you sowing clouds and rain or sunshine? Be a light unto the world, the light of Jesus Christ and set yourself apart from the world. Let your sunshine shine and blind the world.
