I Asked God For Help And Direction

January 2, 2001

I asked God in prayer about my witness and how I should share what He is doing in my life. Should I change or back off on what I am speaking? I said ‘God I need your help, for I do not want to grieve You or the Spirit’.

God answered with a vision, the Spirit and scripture. I share here the visions and what the Spirit spoke.

I was shown a vision of trenches from World War I. The trenches were so that the soldiers could walk up right in the trenches. There was barbed wire strung along the top of the trenches. God said **“I am harvesting out of the churches a remnant to fill the trenches for the time of tribulation. Not all will answer my call.”**

Then God showed me a second vision. It was a pool of stilled water. There were high cliffs on each side of the water. The water was brown in color. God said “The stilled water represents a time of rest between training and tribulation. The water is brown because the training was intense and would not have time to clear before tribulation. The training is for the preparation and establishing a close, close, close relationship with Me, followed by signs, wonders, and miracles, but rejected by many Christians and Churches. **Yes revival will be rejected.**”

Then God spoke to me through the Spirit very slowly and with great distinction-“Speak My truths, do not hold back, share what I have told you, for my people must hear my truths. If they are offended, it is their problem, but you have obeyed the Spirit. They must want my fullness and let My Spirit tear down the walls around their hearts.”

I add this from the Holy Spirit about revival. This was received April 1, 2001 at Victory Family Worship Center. (They were praying for a move of God & revival)

“I hear your cries and prayers. They will be stored along with all other prayers and cries offered up to Me. They will be held until My time and it is not now. The location is right, but I am preparing My shepherds for the harvest of the churches to make My church for revival. In these past years, I have poured out My Spirit upon churches, but through pride and putting My Spirit in a box, the outpouring fades away. No more will I do this. Only in My Church will I outpour for revival. It is all in My time and My church. Your prayers will be answered. My Word will come to pass. I tarry not, I come. I the Lord have spoken.”
