April 20, 2008

On April 9, 2008 the Lord had me write what He was speaking that day. Then the Lord said shred the page I had written. I did as commanded by the Lord even though I wanted to keep what He had spoken. When I finished shredding the Lord said “This was a test of obedience just as I told you to sit down on that summer evening outside and when I told you to dress in the middle of the night.” Then the Lord began speaking the next day and I started to record. As I was writing He said skip down several lines on the page. Then the Lord continued His message. The message was not fully received that day. Over several days the message came in parts with the filling in of the skipped lines on the page. On April the 17, 2008 the message was finished. We must wait upon the Lord for His timing to do His will. This is the title the Lord gave.

Who Is?

“Who is and who will be? Who is not and who will never be? Who has light and who claims light? Who will speak the truth of My word? Who picks at My word adding a sugar coating to take away the salt flavor? Who says don’t speak unkind words to warn about sins and the judgment thereof? Am I or am I not? Are My words truth or are they not? Did I come once and will I come again?

I AM. What I see now is not My people or My Church. What I see now is not My body. What I see now must die to be who is and who will be. What I see now claims light yet is without light. What I see now without dying by repentance is not and will never be. The 4339 splinters I see now are not and cannot be pleasant fruit for the kingdoms sake. These splinters are festered with pus and decay. The pus being the twisted and distorted image they have made My word. The decay is their flesh of the lusts for money and possessions of this world.

Those who sugar coat My words draw the flies of lust and deceit. They themselves are liars deceiving all who they preach to. That is all the rewards they will ever get as they stand full of pride looking out across their congregations of flies. They speak not words of salt that may burn the wounds of sin that repentance may come. Instead they speak soft words without salt wanting none in their mega churches to leave. Their hearts are black with none of My light within them. When they die, they will be for ever separated from Me washed in the lake of fire.

Who is and who will be mine? Only those speaking the salt of My truth by the power of the Holy Ghost. These are the speakers of My word drawing in those wanting the truth to be My holy Church I am coming for. Oh My people search for the truth. Seek those who will convict you of your sins as they preach the salt of My truth. Then you will be truly free from those sugar preachers with their congregations of flies. There is a heaven for those who know Me and My truth and obey. There is a hell for those on the broad path following sugar preachers. Those who know Me will reign with Me. Those who know Me not will reign in the lake of fire for ever. Look in the mirror and ask yourself ‘Who am I?’ Amen.

We can only walk the narrow path by **obedience** to the word of God and the Holy Ghost.
