In prayer today the Holy Spirit spoke this and taught me in the Spirit

1) “As tax money flows to the government, My people flow to the denominational churches. As the government sends out the tax money on bad programs, the denominational churches sends out My people doing bad programs. Both have turned their back on Me and both will be judged.”

2) “By faith we believe and walk. By faith and walking in the Spirit, we have the power to make us Godly. Without faith and power the armor of God will not protect us. We must be born of the Spirit to wear the armor of God. It is Spiritual armor against the spirit of darkness. To serve God in these latter days, we must be born of the Spirit. It is God’s Word.”
