As we grow to maturity with Christ leaving the principles of the doctrine of Christ and moving on to perfection seeking the face of God and His truths, God will share more and more of His knowledge and wisdom with us. That knowledge can be very blunt (being straight to the point), because we are ready for the meat or solid food of God. We are not longer like children drinking only the milk of the Word being tossed to and fro by the winds of many doctrines being spoken and taught by the precept (a command or principle intended especially as a general rule of action) of man. What follows are examples of God's directness.

This dream was so awful that after I woke up in the night I rebuked it in the name of Jesus. On waking up that morning, I said Lord the dream from last night was like an x rated movie and it could not have been of you. I wrong the Holy Spirit started speaking and giving the interpretation. The next day in prayer more was given on the interpretation and I was grieved in the spirit of what the Lord was showing about the churches and their whoredom.

Here is the dream. I will only speak in generalities about the dream and not of the graphic detail the Lord showed me in the dream. In the dream there was a man with his wife. The wife was committing adultery with another man. Then she would go home and have intimacy with her husband. Again I would see her with another man committing even greater whoredom. Between this scene and the last scene I was shown a room with naked men lying on pads on the floor. I was shown the room with the men as a looking glance. Finally the husband in the dream went up to another woman and propositioned her.

Here is the Lord Jesus' interpretation. The man and his wife represent the churches. The wife being the denominational churches and her leaders commits whoredom with the world by acting like the world. Then the church seeks intimacy with Jesus, but only with her lips and not her heart. She loves the world more than Jesus and her whoredom multiplies. The man in the dream represents the congregation seeing what the leaders are doing and begins to commit adultery and whoredom with the world also. They follow the example of the priests. The brief view of the room with the naked men is homosexuality creeping into the church.

I feel somewhat like Ezekiel in his spiritual vision and trip to Jerusalem. God showed Ezekiel the much idolatry taking place in the temple. God changes not and today he will judge with a flood and destroy those who are not marked as His just as He did in Ezekiel's day. The church and the congregation are like the two sisters Aholah and Aholibah.

Ezekiel 23:1-4 ¹ *The word of the LORD came again unto me, saying,* ² *Son of man, there were two women, the daughters of one mother:* ³ *And they committed whoredoms in Egypt; they committed whoredoms in their youth: there were their breasts pressed, and there they bruised the teats of their virginity.* ⁴ *And the names of them were Aholah the elder, and Aholibah her sister: and they were mine, and they bare sons and daughters. Thus were their names; Samaria is Aholah, and Jerusalem Aholibah.* (KJV) Just as God judged the two sisters He will judge the churches.

Ezekiel 23:49 ⁴⁹ *You will be fully repaid for all your prostitution--your worship of idols. Yes, you will suffer the full penalty! Then you will know that I am the Sovereign LORD."* (NLT)
