### **Concise statements from the Lord**

August 7, 2000

From the Holy Spirit: “My Church will have its four corners connected and will be one foundation. Not a church built upon four different and separate foundations separated by gaps and divisions. At a later date, months later, the Holy Spirit said—The glass of water represents the Holy Spirit, but will not be poured out until the Churches themselves are in unity. Only Jesus Christ’s church will this happen.”

September 04 or 05, 2000

While praying on my back in my prayer closet, I was praying in tongues. All of a sudden the Spirit stopped my praying. I could not speak. I was told to roll over and I did. Then I was told to get up on my knees and stand up. I did. Now sit down said the Lord and I did. I was asked what do I see looking down at the floor. I said my knee for that is what I saw. The Spirit said run the palm of my hand back and forth across the nap of the carpet. As I was doing this the Lord spoke this: “My churches bend and flow back and forth as the nap on the carpet with the world and its thinking. They do not stand on My foundation and My Word or listen to My Spirit.”

“My children are anemic spiritually. They feed upon My Word only and do not seek the Holy Spirit. They are malnourished and lacking the power of the Kingdom for the days ahead. Their foundation is weak, cracked and will break and crumble in the days ahead.”

September 18, 2000

As I went to my prayer closet this AM, my spirit sensed a quietness in the spiritual realm. I laid face down on the floor to pray and I started weeping. God was letting me sense his grief for his children again. Then the Lord God started speaking to me: “They (My children) are too busy in this land called America seeking to satisfy the flesh. With plastic money, they can buy whatever their hearts desire. But, I will take away their toys. I will shake this nation. They will know I am God almighty. I am pouring out My Spirit through the ones I am raising up, the ones I have called and trained for they are obedient to My Spirit. They will be empowered to make my present known and not denied. For I love mankind and seek to give

them another chance to repent as I pour out My judgments. For I tarry not. I come.”

“My Word and My Ways are simple--simplicity upon simplicity. Fear and obey Me and My Word. Man and his theology (*10-03-02 I John added-traditions and doctrines*) has complicated My Word. When My Word says go-go, when My Word says don't do it-don't do it, when My Word says believe-believe, when My Word says pray and fast-pray and fast, when My Word says love first-love first. Do what My Word says. Man have selected the parts of My Word to obey because he did not like all of My Word. Man has only religion and is blind and weak. The Devil loves him (man) because he refuses all of My Word. If all of My Word is obeyed, man would be worshiping Me in the spirit and have the baptism of the Spirit and know Me fully in the spirit with knowledge, wisdom and power. Then the Devil will hate you and look for ways to attack you.”

November 11, 2000

“As this nation is divided between morality and immorality, I will divide the churches, separating the sheep from the goats. I will lead the sheep to graze in my pasture to reach maturity with complete nourishment. A time of preparation is upon you.”

November 26, 2000

“This is the dawning of a new day. This is the dawning of a new time. Your old ways of the past must stop. Listen to My Spirit and obey. I will lead you into new revelations and renewed power by My Spirit. For no longer can you stand on your own and survive in this world, for it will consume you and swallow you up and spit you out into the grave. Only by obeying My Spirit will you inherit My Kingdom. No one in worldly sin can enter in; only the ones seeking Me and My Kingdom and know My voice will enter in. Be prepared for troubles are on the way for my people.”

December 4, 2000 A vision.

I saw a clean cement floor of an airplane hangar with the early morning sun shining across the floor of the hangar. A picture of peace and warmth, ready to be filled with activity. The Holy Spirit spoke this: “Be a clean vessel unto God so He may fill you with his light of peace and warmth and make you ready for the activities He has for you.”

December 5, 2000 Under the anointing of the Holy Spirit, God spoke:

“Life in the Spirit is like a roller coaster ride. We are taken from the depths of despair with Jesus Christ to new heights. We are prepared and taken back into the depths with Jesus to harvest and bring the harvest up to new heights. Up and down we go in service with Jesus.”

December 23, 2000 Under the anointing of the Holy Spirit, God impressed this upon me:

1. As the light of the sun reflects off of water and is too bright to look at with no shadows present exposing all of the dark places, My light does the same only with more intensity.

2. As the light of the moon reflects off of water and can be looked at and shadows can be seen, so is the light of man by himself without me.

3. To us, some doors of God look closed, but if we seek and approach these doors by faith, then God will open them. And some doors we have to close as God commands to put away the old. God wants us to grow daily in Jesus through new doors.
