Upon entering my prayer closet I heard in the Spirit “In times past I spoke”. I knew the Lord had a message to give and I recorded. This message was concise without pause and when the Lord was through speaking it was over. My spirit was grieved because the Lord was grieving as He spoke. Read and heed His message.

“In times past I spoke to My people by My prophets. I have changed not. I am still speaking to My Church by My prophets. I have raised up prophets for each church setting. I have raised up prophets over the nations. My prophets have spoken blessings, My warnings and My judgments.

But you My people have not listened. You see not your evil. You hear not your evil. You speak your evil. You have not love. You lack the truth. You disobey the truth. I close this age as it is written. I warn again this day. The time is here this day if you die seeing and hearing not your evil, speaking the evil of lies claiming your salvation without truth and love, you will be judged with the world when and if you die in judgments or a natural death. I am God and it is so.

I am God and I remain faithful in My warnings by My prophets. But you remain unfaithful to Me clinging to the robes of religion called denominational churches. When will you learn? Never? No this is not so or I would be a God of unrighteousness. But some of you will never learn by your choices. Some of you will learn in judgments when all you own and your loved ones are taken away. Those of you who never learn death and hell will be your home. Those who learn in judgments and repent will be with Me because in judgment you repented, cursing Me not.

Repent this day. Turn back to Me. Obey My order and My word written and living. Oh woe unto you whose religion deny My Spirit. Woe unto those who deny the baptism of the Spirit. Woe unto those who pick and choose from My word claiming a salvation they do not have. Woe unto the multitudes upon multitudes that without repentance are lost this day if they die. I hear from heaven the words spoken at funerals of those

who died. I hear the lies about how he was a man of God now being with his Lord and Savior. Lies they speak and fools they are. They know Me not for they have heard not and if they have heard they obeyed not. Repent and seek the truth and obey the truth. My word is complete, if obeyed, and eternal salvation you will have.

My prophets are faithful to speak what I give them. Repent, heed their warnings to be faithful having salvation.” Amen
