How long must God keep sending His warnings to a people that are worse than being in apostasy claiming Christianity. By definition apostasy is 1: renunciation of a religious faith 2: abandonment of a previous loyalty. How long must God keep sending His warnings to the many churches of America that have prostituted themselves to the doctrines of devils. Both are without repentance. They have never entered into the Kingdom of God by the instructions of the word of God. They live not in the spirit with God having not received the Holy Spirit. They walk a path that seem right as they live by the flesh of man that leads to death. This is why they are worse than being in apostasy. They can't renounce or abandon what they never had.

I write these things with a sad heart because the Father, the Son and the Holy Spirit has taught me these truths beginning in August of 1999. Pray before you read what the Lord has said that your heart will be open before the Lord to receive this truth that you may ask what shall I do as the people did in the book of Acts. God's warnings have been sent forth each generation that have listened not. This generation is more evil with their sins piled higher than ever before slapping God in the face. How much longer will God endure without our destruction. Israel were the examples we are not to follow but we have out done Israel in evil and sins. What happen to Israel? Are we exempt from our evil and sins? The answer is NO.

### **The Unseen Prophets**

"Those who are waiting, have been waiting and continue to wait are doing My will. Listen, who are these that are waiting? Then tremble in fear of Me and repent before I send them forth. My waiting ones are My prophets I have prepared. They minister unto Me being totally sold out to Me. Their focus and love is totally upon Me. These prophets are not part of the five fold ministry of the church. They will have their day and it will not be a long day. They are My Jeremiah's. They are My Elijah's. I am holding them back until such time I bring this nation America to its knees along with the prostitute churches. In that day there will be no man leadership to turn to because I will have destroyed that leadership.

Only then will it be time to send out My prophets. I will send them to the churches and government councils. They will have heavenly authority to speak My words and call for repentance on the spot that they stand. If there are deaf ears and no repentance, My prophets will call down judgments to destroy. Then My prophet must turn and run away so that these judgments will not destroy him. It is out of the ashes of the current churches that I will have My church according to My word with no gaps or divisions. Many are calling for revival. Revival will come but out of the ruins of the destruction of the fall of this nation and the churches.

Listen, you who are calling for revival, are you truly ready to suffer and perhaps die? No your are not ready. Repent and prepare. For when I send My word to My prophets in waiting, they will demand repentance or judgments. Don't look for them because they will not be found. They belong to Me, sold out to Me and loving Me totally full of righteousness and holiness abiding with Me on My Spiritual mountain. Repent and walk in My written word to become who your should be, not by the leading of man, but by My Holy Spirit. Repent and pray for others to repent so that I won't have to go forth with My plans. Repent and become My body My church in My word. Repent and pray that you never see My prophets in hiding. Repent and fear Me because I will not hesitate to follow with My plans if I see no repentance. You ask, what about these prophets if there is repentance? That is none of your business. I promise you this, they will have their rewards in heaven either way. Repent that you may have your salvation and rewards. Repent and obey My written word and My living word that the revival you see will be without destruction and judgments." Amen.
