Please listen to what the Lord is saying. With all the books in Christian and secular book stores there is much written about the Lord and His kingdom. In these past years the internet has given us information overload about the Lord and His kingdom and how we must serve Him. How do we separate the truth from fiction as we read and share? Please listen to what the Lord is saying.

My kingdom come, My will be on earth as in heaven. I come. I tarry not. Who will stand and who will fall? Man words flow from the mouths of My sons and daughters. But who speaks truth and who speaks lies sounding as the truth? Know Me and be mine as the Father is mine. Then you will know the truth by the sword of the Holy Spirit casting down vain imaginations that claim the truth. Interlude

Beware you publishers spewing forth many doctrines. Have you sought Me to confirm your flow of works is approved by Me? Or is it your flesh that is proud of the works being done? Seek Me about your works and I will tell you the truth as to whether your works will be burned by fire. Prepare by My truth and My Spirit.

As a well cannot bring forth sweet water and bitter water, your words of writing and publications should not mix My truths and the doctrines of lies not being My truths. You cannot serve both. Which one do you desire to serve? Remember My words 'depart from Me you workers of iniquity I know you not.' Serve My kingdom and speak My holy truths of My word. Fear Me and distort not My word of truth. Let your words lineup with My words. Remember the power of the tongue can speak life or death. What you speak shows what your live is and the fruit that you will partake of. If you produce words of My truth mixed with lies that sound good then that works is of the devil. Deceived you will be thinking you are producing works for My kingdom. It would be better to remain silent seeking My than to mislead My brothers and sisters causing them to fall in the ditch. Be no longer babblers of the words of others. Seek Me that I may give you true words from heaven to speak. No longer look here or run over there thinking you will find the truth. You are My temple and I dwell within ready to teach you if only you will take the time to seek Me in your prayer closet. Then I can and will reveal the secrets of My covenant with you giving you My words to speak and the words of others. Prepare as I have said and be ready with the oil of My truths in your lamps by the Holy Ghost. Then speak as I direct that your tongue and lips will be aflame speaking My kingdom truth bringing in the final harvest before I come making My Church ready. Interlude

If you love Me, serve Me by doing the will of My Father as I did His will. To do His will you must be born of the Spirit to hear what the Spirit is saying to the Church. Then you can be overcomers as I overcame. Woe unto those who walk their own ways claiming to be doing kingdom work. Amen.
