From the Lord in my prayer closet

Today

“All of humanity will know that I am God in the days forth coming. How many days do you ask. You are thinking God speaks by His prophets yet nothing happens. Oh people of this earth all will happen that is written and given. Prepare yourselves now while there is time. Do it this day this hour not putting it off until tomorrow. Who repents this day this hour will not fear tomorrow of what I am about to conclude. You think nothing has happened. Why should I repent and prepare having done all that should be done. But I say it is your undone things that will condemn you causing you to lose your claim to salvation.

Heed this warning and repent. Don't be like those claiming to be doing My works yet they know Me not. Don't be like the multitudes saying I have Jesus having not faith, belief and obedience. They will have no excuse when I finish shaking all that can be shaken in heaven and on earth. Fear Me and what I am concluding that you may repent of your little faith, unbelief and disobedience. You think all of this have been spoken before and is being repeated. Well there is a reason and that being you have repented not of your fear of man and his denominations. You fear Me by the precept of man. Man has lied to you. Man has tricked you. Man has led you on the broad path. Man walks with his flesh man full of wind and lies. Man in his flesh walks in the world with the world having the father of lies as his father. Salvation that is claimed by this man and his type will be lost because he is not attached to the root of the vine in spirit and truth. I am a Spirit to be worshipped in spirit and truth. I warn again repent as I repeat My warning by My prophet. Repent and be born of the spirit with the evidence as written in the book of Acts. Then you may enter into My kingdom by your spirit while you live on earth in your flesh and blood body. Repent and come out of the abomination of denominations that worship the image they have created. Repent and cry out to Me and take back what is been stolen and receive what has been withheld from you. Repent and let Me open your eyes and ears to My Spirit and My truth that you may be filled with living waters poured out from heaven. Repent for you are only filled with unbelief, lies and denomination doctrines thinking you have My truth. How sad it will be for you if the One who is coming for His Church comes tomorrow and you repented not and prepared today. Repent to have faith, belief and obedience being ready. For the one who kicks against the pricks will be bloody and condemned if they die in what I am concluding. Again I warn you because I love you.” Amen.
