In my prayer closet I was on the floor before God and became drowsy. I heard my Lord and Savior telling me to draw a snowflake. My flesh man wanted to take a nap but I picked up my pad and pen and did as the Lord requested. Then He told me to draw another and then another. Then the Lord spoke.

“As no two snowflakes are alike being different and individual so are those who call me Lord. Yet when I send these snowflakes they all come together in unity to bring beauty or a blizzard. One alone cannot create the desires I have for all as they obey my natural laws.

When I come for My Church they will all be in unity obeying My spiritual laws doing the desires I have for them. They will be a thing of beauty creating a blizzard in the world not fearing man in the denominations or man in the world government. As My Church stands being My blizzard, they will be overcomers. Man will shove My Church around as he does the snow of a blizzard. Many of My Church will have all they own taken from them. Others will be piled up in prisons because of their unity with Me. Others will be killed outright because the world and the denominations will hate them without cause. These are the ones I am coming for. These are the ones who have been and are doing the will of My Father. They are the ones who have been and are obeying My word and listening to and obeying the Spirit. These are the ones who are and will be overcomers overcoming as I overcame. These are the ones who fear not man.

I warn again, man of denominations repent of your unbelief. Repent of your disobedience. Repent of your complacency, thinking you have salvation. Repent to be who I am coming for. I know your hearts. I know you will repent not. I know you will kill My Church members and become

one with the world and not one with Me. Repent is the word I have given you this day. You have been warned. On judgment day you will be judged with the world being without excuse. You will die in your sins being condemned for you repented not. And when I come you will not be part of My Church.

My judgments will become as a blizzard. Only My people who are part of My Church will have My peace in all that happens in their life because they listened and obeyed. Repent, obey and have My peace.” Amen.
