I record these two dreams from last night as requested by the Holy Spirit. At this time the Holy Spirit has given no interpretation.

Dream 1. This dream involved and revolved around a fifth wheel camper Margaret and I were using. We were parked at a campground and something came up and we had to move our camper. We were parked on a hill when a small boy came up to us. He was explaining something to us and we had to move on. We started down off of the hill and turned sharply to the left to miss some low hanging tree branches that would damage our camper. As we descended down the hill, we had to make a sharp right turn because of obstacles in the way. When we turned to the right, we saw a river and we was coming very close to the edge of the river bank. It was a steep bank and the distance to the river was several feet. As the turn was being executed, I kept saying in the dream turn shorter as we were very close to falling into the river. The turn completed we ascended up a small rise. I looked in the rear view mirror and saw that the camper was lying on its side being dragged. By the time we got stopped, we were at the top of the hill in very rough terrain. We surveyed the situation and decided the only thing to do was to disassemble the camper. Then transport the pieces to another location and put it back together. We found that the camper came a part easily. We slid the sections of the camper down the hill. At the bottom of the hill was a large building. As the sections were slid down the hill, they materialized within the building. The last section to come down the hill had a lawn mower attached to it. All of the sections were in the building area of large truck parking. Beyond the parking area was a machine shop in operation. I asked one of the workers how to get out of the building and he pointed the directions to me. We went through the door that was pointed to. We entered into another room and saw the door to exit the building. The dream faded.

After typing out the dreams the Lord spoke. “The camper represents the ministry I have called you to. Go where I tell you. Stay until I tell you to move on. Obey the Spirit, not the commands of man or following the leading of man. If you do, trouble will come upon you. You will battle to keep up right, but you will fall. You will be disassembled never coming together again. Broken you will be in the world unable to find your way. I warn you again. I will not tolerate disobedience. I will forgive you upon repentance before you fall. If I shatter you, you can no longer be of service to me. Your soul will be saved because I love you.”

On September 29, 2003 the Lord added about the lawn mower in the dream. “I am mowing the fields to level all called judgments. I am planting My Heoieta’s¹ in those fields to speak My truths to the wheat and the tares.”

Dream 2. In this dream I was working for a company that had received a contract to service satellites from space. We were in a large hangar. The neat thing about the satellites was that when scheduled maintenance came due, the satellites came out of orbit and down to the facility that had the contract. We were working on the satellite control module section. Since this was our first satellite to service we were taking extra precautions. The satellite started lifting up toward the hangar roof while being serviced. We got it back down into its service bay. As the work progressed something emitted from the satellite was making me faint. I went outside. Outside of the hangar there was a satellite that was hovering off the ground at head height. It was ready to go back into orbit and someone was trying to climb on the outside of the satellite to ride on it as it ascended. Then I saw another satellite that would not lift out of hover mode. I took off the access panel and explained the turbo was not engaging and it could not go back into earth orbit. I must have fixed the problem. When I shut the door, I could hear the turbo kick in and the satellite lifted out of site. The dream ended.

¹ **01-05-02. Heoieta** is (he’oi et’a). is a messenger and a doer of the message. **Heoieta** also is to go forth as a bold leader to lead the children of the Lord into maturity of the spirit that they may receive the mark of the Lord that will be seen by all in the spiritual realm. Angels will cheer and demons will fear for they know their time is about up.

After I recorded the above the Holy Spirit spoke this to me. This is a heavenly language word. It gives me great pleasure to share it with you. It is most Holy. This is the first time this word has been spoken on the earth. Share the word with others and I will be giving you more words in the future.

The Lord spoke this. “Continue to obey me now and when I send you out. I will anoint you to do the impossible in man’s eyes. You will do as I did and greater things. The world will know that I have sent you and they will hate you as they hated me. The message I have given you will be heard. Blessed are those who obey. They will be the remnant for the birthing of my Church. The past way of doing things in my name will be over. There will be no free rides using my name for gain.”

This morning in prayer I was hearing from the Lord. It was his time to speak and I was just listening. The Lord was pouring out his heart about the sinful conditions of this planet and the corrections he was going to make by his judgments. As he spoke, I was hearing a soft musical melody playing in the spiritual background. The music just quit and there was silence in the spiritual realm. The Lord said “suddenly like the music quit playing, the judgments will be seen. The citizens of this world will know it is I. I will send proof by the works my Heoieta’s will be doing. They will do the works I did and greater works to birth my Church.”
