

The Holy Spirit said record:

Date: January 11, 2002

In December the Holy Spirit said to separate from the Faith & Fellowship church we were attending, which we did. Then in prayer the Holy Spirit said go to the Rocky Branch Baptist Church and I will open the door for you to speak My truths. We went and joined in the Sunday school discussions and teachings and attended Wednesday bible study. We went to their New Years Eve party and was invited to bring our overhead and some music and sang a couple of the praise songs we brought. Then on Wednesday January 9, 2002 at the end of bible study the pastor asked if there were any comments.

I had a churning that started to build up in my belly and I let the Holy Spirit speak what He wanted said about the baptism of the Holy Spirit. The pastor was open the receiving the baptism of the Holy Spirit as he had stated so at another time. The pastor let me pray with him that he might receive the baptism. Many people left at that time visibly upset. I prayed, he did not receive and Margaret and I went home.

On Thursday January 10, 2002 the pastor and Jim his right hand man knocked at our door in the evening. They gave us the left foot of Baptist fellowship and said they loved us. What they was saying we could continue to attend, but we must act like a Baptist. But I praise God that my wife and I got to give testimony as to the call of our lives and what supernatural things God has been doing in our lives. I sent with the pastor a parable titled "Follow the Instructions" wrote November 2, 2000 and a prophecy the Holy Spirit gave me on September 16, 2002 about the coming judgments upon churches and Christians. In giving testimony I shared what the Holy Spirit spoke to me on June 2, 2000 and confirming it with a supernatural sign. This is what the Holy Spirit spoke on that date "You will be a thorn in the side of churches. You will buffet them and they will hear the truth. The ones that want the truth, they will follow and judgment upon those who don't hear when truth is spoken to them." With prayers and hugs they departed.

I was a peace the whole time the above transpired. Later that evening the Holy Spirit started to speak. I asked that it wait until tomorrow. At 12:30 AM I arose for a bathroom break and went back to bed, but not back to sleep. I said what Lord. The Holy Spirit started speaking. "He said to separate ourselves from the church. I had spoken the truths He wanted

spoken on Wednesday and they rejected me and by rejecting me they rejected Him. The Holy Spirit said now I will begin judgments upon them. That church is a missionary church associated with another Baptist church. The Holy Spirit said I will start my judgments at the bottom and work up vertically and horizontally at each level within the church structure to the very top and the judgments have begun already. That there would be three other pastors in rapid succession after the first pastor is removed from the church. He also said that He had given me one talent and I used it well and that more talents would be given soon. That we are not to associate with any church, but continue preparing in the Word, prayer and the books He has put into our hands at home. He will send us out, again wait upon Him. He said to watch, listen and see the judgments unfold.”
