] **January 12, 2005** From the Lord in my prayer closet this day

“There are many I have placed. There are many that have dreams. There are many with visions. There are many I teach and reveal the hidden and revelation truth. If you listen to the many and think what is being said as fragmented making no sense, remember you see and hear in part. Hold fast to what I have given you. Walk by faith without doubt, being ready at all times for your salvation.

Judge not my true prophets or their message. Only by being born of the Spirit may you discern who is false and be able to walk away being separate from them. Hold fast to what you have always been seeking and have found; the truth. On that day what seems contradictory today will be perfectly clear. You shall see Me and see as I do. Only the righteous will be with Me and see Me, the I AM, in the heavenly Jerusalem.” Amen.
