As I was writing , the Spirit of God came upon me and I wrote the following from the Lord.

“Heed My word John. Man and his many religions can conjure up many excuses about why and how of natural disasters. I am God, the I AM. I am in charge. When man’s sins pile high into the heavens, I judge his sins. The higher their sins the greater the judgments. I change not and neither has man. Expect to see more for My hand is posed to strike and strike it will. What you think and conjure up for excuses as to why does not matter or change who I am or what I am doing. Ask yourself this question. Are you ready this day and everyday for you day of salvation? In judgments coming many more will die and one of them could be you.”
Amen.
