A dream this night and God's promise of judgment

In the dream I was on the back of the coal tender of a steam locomotive. The locomotive and the coal tender were separated not being coupled together. The cab of the steam engine was on fire from hot coal spewing out of the fire box. The coal tender also ignited that I was standing on. Both the engine and the tender were traveling at a high rate of speed down the tracks. I jumped off of the coal tender landing in a wet muddy ditch that drained into the lake in the direction the locomotive was traveling. Both the engine and the tender car derailed sliding into the lake. The Lord spoke the following—"The fire on the engine and the coal car is My fire of judgments that will consume those who it touches. This includes the world and the churches in the world being unrighteous."

Do we walk with Christ in obedience to his commands listening to the Spirit being born of the Spirit? Or are we riding the rail with those in unrighteousness, being separated from the fuel of the Holy Ghost, running their own train by the doctrines of man? They will crash and burn. For what fellowship has righteousness with unrighteousness? 2 Corinthians 6:14-18 and 7:1. Amen.

As I was writing the above, the Spirit of God came upon me and I wrote the following before I completed the above message. "Heed My word John. Man and his many religions can conjure up many excuses about why and how of natural disasters. I am God, the I AM. I am in charge. When man's sins pile high into the heavens, I judge his sins. The higher their sins; the greater the judgments. I change not and neither has man. Expect to see more for My hand is posed to strike and strike it will. What you think and conjure up for excuses as to why does not matter or

change who I am or what I am doing. Ask yourself this question. Are you ready this day and everyday for you day of salvation? In judgments coming many more will die and one of them could be you.” Amen.  
**Jeremiah 5:29-31** **29** *Shall I not visit for these things? saith the LORD: shall not my soul be avenged on such a nation as this?* **30** *A wonderful and horrible thing is committed in the land;* **31** *The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so: and what will ye do in the end thereof?
