“Though who travel the narrow path without being shod in the truth of my Word cannot cleave to the path, but will fall off from the narrow path. They will be disqualified for the refused the Spirit of Truth.” Amen

While praying in the Spirit I heard in the Spirit the sound of one of the closet doors in my prayer closet shutting. Then in the Spirit I saw a large mud flap off of a big truck lying on the ground. The Lord said—“We must shut the worldly doors behind us so that I can open heavenly doors.” The Lord asked—“What is the mud flap used for?” The Lord answered his question—“I am removing the mud flaps of the ‘churches’ for they have been using them as a shield to deflect my truths.” The Lord said—“We must me like gold prospectors and go into the hills for our search.” I knew he was speaking for us to go into our pray closet to prospect for knowledge and wisdom. Then bring that knowledge and wisdom from our prayer closet and share it with the church.

Seeing and hearing in the Spirit realm. When I see words in the Spirit realm it is like a teleprompter putting the words on a screen. 1. The JFK once a mighty boat sits in the ocean like a ghost ship afloat. Even the sailors and all their tricks cannot save her and she sinks like a brick. 2. Those not serving me but feeding upon my name will not share in heavenly rewards. 3. Only those who know my voice and know me intimately will share in heavenly rewards. Then the voice of the Lord spoke—“Who knows my voice? Only those born of the Spirit for I am a Spirit and I speak by the Spirit spiritual things.”

Holy Spirit spoke on corporate prayers. He said God does not hear corporate prayers of the 'church' because of the sins of the 'church'. The Holy Spirit continued—"I call the intercessors. I prepare the leader. I send him to teach the others I have called. Not all are intercessors. Intercessors are one part of the body. Where do I call the intercessors out of?"

As long as there is sin in and of the 'churches' walking in blindness of man's rule, they are wounded held together by band-aids. Their wounds are festered and oozing; a stench to my nostrils. Just as I call out intercessors, in judgments I will harvest the wheat out of moldy infested stinking churches of the walking dead. They refuse to see or hear or obey. In judgment they will have a choice to die and live or to die in their sins of iniquity."

Then later the Lord spoke—"The church age is not dead, only the 'churches' are dead. My church will be alive."

The Lord spoke this—"Bible study should be about how to be washed in the Word. Then as the washing of the word takes place, come together for questions that come up. Let the Holy Spirit work among you. Remember you can't describe or understand a part unless you have the whole. For the part has to have the whole to function as the truth. Without the teacher (Holy Spirit) and without being born of the Spirit it is the blind leading the blind and you shall fall in the ditch of deception by the flesh. If you study only the part without knowing the whole, let there be among you a teacher who knows the whole and is born of the Spirit to teach how the part works with the whole."

As I was sitting and reading, I dozed off. Before I was fully awake I saw this statement in the spiritual realm. "Do not compromise in looking for the truth. Once the truth is found, do not compromise the truth."
