January 20, 2008

This morning as I was preparing my breakfast, I heard in my spirit wake up America from the Lord. Nothing else was said. Upon entering my prayer closet my Lord said write. The Lord has given me many stern warnings about this nation and its people in the past. Today I am grieved in my spirit and my heart breaks from these words given by the Lord. We are a sinful nation full of pride and rebellion repenting not. The Lord is saying enough is enough and I am bringing to a halt this stench that permeates the heavens. I must send forward this word to fulfill my calling of the Lord because I do not want to be like Jonah and suffer from the hand of the Lord even though my flesh man says don't.

Wake Up America

America wake up from your slumber of being lazy and ignorant if the relationship you once had with Me. You have sold out to other gods knowing Me not. You bow down to your gods of greed, pride and lust. You say there is no one that can stop us of doing as we please. You have forgotten the one who raised you up and made you great against the odds of your success. But the one who raised you up, it is I the God of Abraham-Isaac & Jacob, will now tear you down.

The fall has long been going on with small cracks in your foundation. I have sent prophet after prophet to warn you that you might repent. My word you have ignored. Now disaster is upon you and My hand is poised to fall across this once great land. You now see the evidence from My prophets. Your local or your state or your federal government agencies cannot stop Me and My plans. Your governments are all corrupt and full of lies, deception, greed and power. They make plans to enslave My people of this land with those lies and deceptions. Sadly My people have come to believe the lies and deceptions. I say to you let My people go. Your plans will fall and disappear as in quicksand.

I wait no longer. You all must fall in this nation, called the United States of America, whose motto is, "In God We Trust". It is not I, the I AM, that you trust. It is the gods of money, possessions, power and more of the same that you trust. Since I am no longer your God, then now I am your enemy. Nothing will stand against Me. Not your governments with all their evil agencies. Not your money supply as it is false. Not your stock markets. What you have will be taken from you. You think the crash of the 1920's stock market was bad. You think the killing and destructions of your civil war between the North and South was bad. What is about to unfold before your very eyes will be of no comparison to the stock market crash or the civil war.

Your nation has been gutted by corporate greed. Your very own government has taken away your rights that made this country what it was. You the people have become dumb to these truths. Your past times are busy activities running to and fro for work, sports, vacations, and

other leisure pleasures that you think are bringing you satisfaction. You yourselves are bankrupt and won't admit it. You keep going and doing, being like sheep led to the slaughter and it will be so because these are the gods you worship.

Wake up America. How long will be you slumber? The shot will be fired again that is heard around the world. The report of that shot will be heard by the one that will be elected the next president of this nation. This nation will be at war with itself government against government, government against the people, and people against people. My 1/7 of 70 years of trouble for this nation will be concluded during the next three years. Out of this I will have a people that will know Me as their God. Out of this I will have Governments that will know Me as their God. Out of this I will have My Church and I will be the head.

Repent and fear Me the God that created by speaking My word. Repent that you my stand and be overcomers loving not your life unto death. Repent that you will be My people in life or death. Love not the things you have of this world. Use them for kingdom works as I direct you by the Holy Ghost. Repent and give your heart to Me then you will have rewards in heaven. Repent and fear not what is about to happen before your very eyes. This nation that has denied Me will fall. The churches of this nation who worship Me by their interpretation of My word will fall. The people of this nation that ignores Me will fall.

I have spoken precisely this day as there will be none without knowledge of what is about to happen. My prophet heard from Me and reported it to this nation. If your house is not in order, repent and make it so. Amen.
