July 20, 2004

Please remember what Paul spoke to Christians. We are to remain where we are when we come to the Lord. I add find the truth of the Word of God by being washed in the word of God. Then as we seek the Lord coming into maturity, he will guide us as to where he wants us and what he wants us to be doing. I cannot stress this point enough. Many brothers and sisters do things in the flesh without waiting upon the guidance from the Holy Ghost and become mad at God because what they we trying to do did not work out according to their plans.

The Lord spoke--“Before the days to come of judgments and the chaos that pursues the judgments seek the cross this day and lay down your old life and pickup your new life in me. Seek me now in my word and in prayer. Seek counsel with those I put in your path. Prepare now while there is time. Be my son and daughter. Who do you serve now? Seek me now in the fulness and by the fulness of my Son to be who I want you to be. Otherwise my anger will rise against you as it will against others who have not submitted to the works of the cross coming into the perfection of my Son finding rest.” Amen.

In these later days of the last days those who obey the Word of God and listen to and obey the Holy Spirit will think that there is something wrong with them. Your family and friends want no more to do with you. You will find yourself uncomfortable in churches. You ask yourself, is there something wrong with me? The answer is no. But rejoice in the Lord for you have become his special possession a peculiar person that the Lord can use in his kingdom work. You have found the truth and the truth has set you free from the bondage of the soul and flesh of man and his doctrines of who Christ is. And now you walk in the light of Christ being his beacon of truth piercing the darkness of those who serve the prince of this world.

They will hate you and come against you, but fear not for he who is in you is greater than he who is in the world.

This day the Lord reminded me again of what he has spoken before.

08-03-02. In my prayer closet today I heard in the spirit prepare and be ready. This is what I recorded from the Holy Spirit. “Prepare and be ready. Prepare and be ready to suffer as I suffered. Prepare and be ready by my blood to witness and give testimony. Prepare and be ready to be faithful unto the end. Prepare and be ready to receive the reward and crowns laid up in heaven. Prepare and be ready to walk in the supernatural of the latter rain. Prepare and be ready to laugh at death as it looks you in the face. Prepare and be ready to know my voice and obey the spirit. Prepare and be ready to receive revelation knowledge. Prepare and be ready to see, hear and walk my path I have for each of you. Prepare and be ready to know I am the living God and human thinking and logic does not apply in serving my kingdom. Be prepared and ready to walk as I walked and do as I did and greater things. Be prepared and ready for you are my disciples, if you obey my commands”. Amen.

Then the Lord spoke this—“The next judgment is upon this nation. Not by the hand of man, but by my hand says the Lord. I have burned the fields and now I will plow. The earth will be ripped open as never before. Watch and listen it is here. My plans will again foil mans plans for the next stage of his world government. It will be delayed for it is not yet his time.”

08-28-02. “The new lights will be as I came (unfailing love and faithfulness) and as I come (glory, power and judgments), if they are holy as I am holy by my blood.” The new lights are the ones the Lord has called and set aside for his purposes in the days ahead.

09-29-02. A prophet is a threat to the status quo. Prophets are only loved by other prophets. Only prophets understand prophets.
