The Holy Spirit brought a memory from my childhood into focus. It was a time when I swung from a tree branch and the limb broke. I fell to the ground and landed on my butt and the breath was knocked out of me. I could not breathe for a period of time. This is something that I had forgotten about in my life. But the Holy Spirit knows all and can bring forth at necessary.

I was asked by the Holy Spirit as I sat their breathless, how did I feel? I thought for a bit and said I was in great stress and need. Then I recorded the following as received:

“No breath left, all knocked out--this is what I am doing to this nation. My judgments will leave them breathless. And while they cannot breathe, I will show and they will know I am the Lord God. Repent and turn back to Me. For I love you always and will forgive you until your last breath.

Christians and Churches think I will not do these things. I am God, I change not. I sent My son Jesus to make way for a life in the spirit with Me. They have kept the world and all of its whoring lusts. I am tired of going about cleaning up messes that My children have made because of lack of knowledge. Feast at the table I have set for you made possible through and by Jesus Christ. Why do you deny My Holy Spirit and power? I am moving and changing things. I am giving a last chance to My children and churches to repent.

Time is short, for the antichrist is about upon you. And in your weakness you will take his mark and be doomed to Hell. For you heart is not fully with Me, but with the world. Are you ready to give you life on this earth for Jesus Christ and receive your heavenly reward? Many are not. In these 1/7 of seventy years of trouble, I give you a last chance. The choice is yours. All things written will come to past, ready or not.

Answer you call as a Christian and be holy by Jesus Christ as I am holy. Accept all My gifts and power by the Holy Spirit. So he, the Holy Spirit can train you and make you ready. I tarry not, I come.”

The Holy Spirit is the finisher of all training in God’s service. In preparation to God’s call there comes a time when man’s knowledge of God is depleted. Those who want more will seek God in the spirit and be

taught by the Holy Spirit. Added August 6, 2003 by the direction of the Holy Spirit.
