Praise the Lord that He never gives up on us that we may see the truth of His word to be set free from the world and the doctrines of the many churches that strive against the truth. What the Lord spoke this day is another way of describing what we as Christians are doing that we should not be doing. Before you read this pray to the Lord in the name of Jesus Christ that you will see the truth that you may come into that truth. Remember there is only one way to be with Christ when we lay aside these flesh and blood bodies that we live in on this earth even though others will tell you there are many ways to heaven. **John 14:6** Jesus saith unto him, **I am the way, the truth, and the life: no man cometh unto the Father, but by me.** (KJV)

### Tick Tock

Tick tock. Tick tock goes the clock, the time keeper for man. This clock is external and dictates when to eat, when to sleep and when to go to work. As the days add up by the clocks time, birthdays are celebrated, wedding anniversaries are celebrated. Each day man lives by the clock on his wrist, on the wall and on his nightstand. Everywhere he turns in the house, he sees a clock.

What man does not realize is that all of those clocks in the physical are for the flesh man. He chooses to ignore his internal clock that cannot be seen. This internal clock controls his body functions that lets man live. When his internal clock stops, he dies. Who controls that internal clock that controls his life, his health and his salvation? This internal clock makes up his body for good or evil. I would like to be a part of that internal clock and can if that man has cried out to Jesus Christ repenting of his sins that he may belong to Me. And if he reads the word of God and is surrounded by brothers and sisters who live in the Spirit, he will receive the gift of the Holy Spirit as promised by Me. Now his internal clock has been reset so that man can live in the Spirit and be taught by the Holy Spirit. No longer is his external clock his master of go and do. Now he looks inward seeking and doing My will.

As I look down from heaven wanting to bless My children, I am saddened by what I see. I see their external clocks are controlling their lives as before after their accepting My Son as their Lord and Savior. Nothing has changed in their lives. Why is that? The churches are as what My Son spoke in **Matthew 23:15** **Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves.** (KJV) Their internal clocks are not synced with My kingdom that they may have life in the Spirit. Instead they run to an fro doing the doctrines of the church being not My works or My will. Tick tock. Tick tock listen to My clock not the clocks of your own making. I have no choice but to reset man's internal clock with My judgments.

As My word states, in these coming days a great falling away from Me will occur. But blessed are those who reset their internal clocks to My kingdom time. I have spoken using the analogy of clocks that perhaps one will get understanding. They will understand that it is My word that must be obeyed. They will understand that it is My will that must be done. They will understand they must live in the Spirit with Holy Spirit power as those in My word did in the book of Acts. They will understand and receive the truth of My word being set free to do the doctrine of My Son Jesus Christ and not the doctrines of a church. Tick Tock. Tick Tock by whose clock will your life be controlled the clock of the physical or the clock of the spiritual? Tick tock. Tick tock, one gives death and the other gives life. Tick tock. Tick tock. Amen.
