June 24, 2002 More on God's Judgments.

As I was sitting out on our back deck this evening reading "The Christian's Secret of a Happy Life" by Hannan Whitall Smith, my spirit was troubled and uneasy. I spoke to the Lord and said my spirit senses something is about to happen.

As I closed my eyes to look into the spirit to see, the Lord spoke—"My blanket of judgment is about to cover this nation. It is a blanket that smothers, crushes, burns, chaffs, pounds and shakes. It is a blanket of death spiritually and physically for those with no repentance. It is settling now and will cover all that are in sin. They will be in total darkness. They will be in great pain because of the loss of loved ones, finances, possessions, and will lose their road in this life. They will cry out—what happened, what must I do? They will seek answers. But those who look not to me will find no hope. Only repentance of their sins and following me in truth and love will they have light and hope. Those walking in my truth and love will be protected as the blanket of judgments settles over my points of light. Their light will burn a hole in the blanket and the blanket will settle around them but not cover them. My blanket is coming down now. My lights will begin to burn brightly so those in darkness will see and can come to the light. The choice must be made by those in darkness. I set my house in order before I come." Then the Lord said—"picture how a blanket would settle if an angle had hold of each corner and all let go at the same time. This is how the blanket is settling."

I asked the Lord about the judgment covering the whole USA. In October or November of last year he had me take a map and mark several different areas of the USA that were to be judged in stages. The Lord spoke this—"I passed them by in March of this year to give them another chance, but now I will judge this whole nation and the churches at the same time. They have repented not"

This day in prayer June 25, 2002, I was shown by the Lord that this blanket of judgments would settle over the next eight years, as that is the

time left that the Lord spoke to me in January of 2001 and said he was bringing 1/7 of seventy years of trouble upon this nation and that there would be no peace. This is part of the three judgments the Lord told me that would be. This was after September 11, 2001. The three judgments were 1) judgment from without—the trade towers in New York, judgment completed, 2) judgment within—the economy, judgment in progress, 3) judgment upon—the land of this nation, judgment coming. These will be wild fires, earthquakes, floods, hurricanes, tornadoes, volcanoes of unheard of magnitude and droughts all being judgments of natural disasters.

It is out of these judgments that Jesus Christ will re-establish his church. For about three weeks leading up to December 4, 2001 I was in intercessory prayer for the churches of this nation. The prayer was for the Lord to bring judgments upon the churches. This was my cry day and night in those weeks. On December 4, 2001 I was released from praying for the judgment of the churches. This is what the Holy Ghost spoke that day—“This day it has begun. I am building My Church out of the ashes of the existing churches. It will be on one foundation with all corners connected with no gaps or divisions. I will pour out My Spirit upon it for revival. My army will be made ready.”

This is what the Lord has shown me. I know there are other prophets that are crying out warnings and have been for years about an enemy attack upon this nation. This nation has kindled the wrath of God. When a Godly nation turns its back on their Creator and sins blatantly, that nation will drink from God’s cup of wrath to the dregs. This nation has been warned, for God does nothing without warning his people first. My cry as a prophet and every prophet has a message--Repent from your sins, make yourself ready for the King of kings and the Lord of lords is coming. Judgment is upon the land, if you die today in His judgment, will Heaven or Hell be you home in eternity. Prepare and make yourself ready.
