As I entered my prayer closet this afternoon I heard the Lord speak “in the days past”. I picked up my pen and paper and recorded what the Lord spoke. Some of what the Lord spoke He had relayed it to me this morning at about 5:00 AM but with no unction to write it down.

“In the days past when Israel disobeyed My laws, what did I do? This nation called the United States of America is just like Israel only worse. I do what I must and not because I want to but because I must. I cannot let her sins go unpunished. America wake up and repent. All is not well even though your leaders are saying all is well. The leaders lie. Listen to Me you leaders repent and tell the truth. You lie, cheat and steal because there is greed in your hearts and you enjoy the power of your elected office. You are corrupt and sinning against My kingdom. Repent and do your oath of office.

You judges listen. Your hearts are full of wickedness calling right wrong and wrong right. You sit in the office of your authority exceeding that authority. You no longer judge and interpret the law but you make laws. Repent for I know how dark your hearts are. You even are selective in the laws you judge. Repent for you are condemned to the lake of fire without repentance. Repent and call out to Me that you may be saved.

America I am calling to you to repent and turn back to Me as you were in the beginning. Just as I judged your sister Israel and Judah, I am judging you. My loved I still love you as I loved you in the beginning. But you America have become a whore loving yourselves and the evil you spread. Your money says ‘In God We Trust’ and your lips speak “God Bless America’.

Blessings you no longer have from Me. Blessing from Me are for those who obey and know Me. Your no longer know Me. You no longer love Me. You no longer know right from wrong.

You do only wrong. America repent. America I am judging you. America how much more destruction and death must I cause that you may repent. America you belong to Me and as such I will continue to love and discipline you until repentance comes. Look what happened to Israel and Judah when they sinned without repentance. It will happen to you also if you repent not. I have warned before and I warn again. Repent.

Hear these words of warning you have not heard from Me before about you. Keep walking your current path and on that path there will be civil war between those who speak English and those who speak Spanish. Many will die but those who speak English will prevail but at a great cost. Repent, turn back to Me. Obey My commandments and obey and enforce the laws of the land. Repent and truly trust in Me and I will bless you America with greater blessings than in the beginning. I am God and this is My warning to you. Repent and be blessed. Continue as you are and death and destruction will overtake you with you only reaping a whirlwind.

I tarry not. I am coming for My Church.” Amen
