Date: June 30, 2002 God will plow the hard ground.

In prayer on June 29, 2002 the Lord spoke and said “I will plow the hard ground.” This day the Lord explained how He would plow the hard ground.

“I will plow the hard ground with My judgments. As you plowed with your father on the farm turning under the old crops and the weeds, I will turn under church doctrines and hardened sinful hearts of this nation. I will plow the rocky ground, the red clay ground and the black loamy ground. All ground will be plowed and turned over. You will stand on the plowed ground and plant the seeds of My truth. My truth will be the rain to break up the clods of the plowed ground. The rocky ground I will use My hammer to breakup the rocks as you used a sledgehammer to break the rocks out of the moldboards of the plow you used. The ground of clay I will plow when the conditions are right according to My eyes as you waited for the right conditions to plow the clay. It could be neither too wet nor too dry. The black ground will plow easy for me as it did for you. For it will break up easy and receive the rain of My truths for the greater harvest for My pasture.

Again I say wait. Wait until the plowing starts. The plow shears are sharpened, the fields inspected, and the reports are in. The angels have their orders. The summer plowing is beginning. The fields will not be summer fallowed again. The soil will be turned and the weedy roots will be ripped out. Listen and you will hear cries of pain and sorrow as the current crop is thistles and thorns. Be ready to seed for a new crop. My crop will be made ready before I come. Prepare, for salvation is a hand.”
Amen.

In prayer on July 4, 2002 the Lord asked me this question. When the stubble you were plowing would not turn under and plugged up your plow, what did you do? I said Lord, we burned the field and then plowed. The Lord said, I will burn some fields also. Later in prayer that morning the Lord said, the fields are burning now—the forests in the west.

Hosea 10:11-13 **11** *"Israel is like a trained heifer accustomed to treading out the grain--an easy job that she loves. Now I will put a heavy yoke on her tender neck. I will drive her in front of the plow. Israel and Judah must now break up the hard ground; their days of ease are gone. 12* I said, *'Plant the good seeds of righteousness, and you will harvest a crop of my love. Plow up the hard ground of your hearts, for now is the time to seek the LORD, that he may come and shower righteousness upon you.'* **13** *"But you have cultivated wickedness and raised a thriving crop of sins. You have eaten the fruit of lies--trusting in your military might, believing that great armies could make your nation safe! (NLT)*
