March 14, 2009

Upon entering my prayer closet as I laid face down on the floor, the Lord said to write. At my desk I immediately wrote "The Birth and Death of a Nation" from the Holy Spirit and the rest of the Lord's message came quickly without waiting. This is a message that grieves me and I would have rather not have heard. Yet I must send it forth or the blood of many would be upon my hands.

The Birth and Death of a Nation

"Look all of you who are blind. Listen all of you who are deaf. The time of death is upon you and this nation. Just as all are born, all must die that are of flesh and blood. It is not so for a nation such as this if they would keep me as their head. It is not so for a nation such as this if it would seek Me for righteousness and My guiding. This nation was born with My blessings because they sought Me and praised Me. This nation will die because they deny Me and curse Me. This nation will die because now I curse them because of their unrighteousness, sins and pride, lust of money, lust of the flesh, making evil good and good evil. This nation follows the examples of Israel whom I gave blessings and curses.

This nation has no Godly leadership in all Governments. This nation has no Godly leadership in the churches. This nation has no Godly leadership in the home. Yes, they use My name but in vain because they have turned their backs on Me. Patient and longsuffering I will no longer be as I turn My back on you. Trouble, double trouble, triple trouble and more trouble there will be. Evil men and women you have chosen as you leaders. Change was promised to you and change it shall be. What is will no longer be. What is to be will be the opposite of what was. Israel is your example to look at in My word. I blessed them and they because fat and cursed Me. You are fat cursing Me and now I curse you with the same curses I pronounced upon Israel. Look at what I am now doing warning you with droughts and disasters, floods and disasters. Greater disasters are on the way. Death and destruction it will be. Lack of food, fuel and housing it will be. Persecution it will be from the government you elected. Slave labor and death camps it will be from the government you elected. I have proclaimed these words and it will be.

Repent of your unrighteousness people of this nation. Repent of your complacency of using My name in vain. Repent that you may have your day of salvation. If you do repent, this I promise you, that they will hate you as they hated Me. They will kill you as they killed Me. Yet in all of this you will have peace fearing not what you see by site. By faith you will walk being overcomers receiving the promises of heaven. Those who repent not claiming me will have only fear and the grave to look forward to as the government you elected goes forth with its hidden evil plans of death and destruction making slaves of the people that their will is done.

These things will come to pass not because My heart desires it. These things will come to pass because of your choices to walk the broad path with evil to become evil doing evil. You have left Me no choice. It will be done. As it is done I will have a people My body My Church that will stand in the midst of this evil arising proclaiming the gospel of the kingdom doing what I did and greater things. My blessings and power will be upon them. My light will shine from them. Blessings or curses you will receive by your choice, your words and your works. I am God the Father, I am Jesus Christ the Son and I am the Holy Spirit. I AM.” Amen.
