In my prayer closet this day as I went to the floor on my face before the Father, my Father said get you pen and paper and write. The Lord's word came fast and forceful. This is a message given by God that we will have no excuses as events in the world unfold because we have been forewarned.

"I am the Lord God creator and ruler of all the earth and all of the heavens. I chose Israel through the promise I made to Abraham. I never go back on My word nor do I ever lie, temp or mislead. I speak just as clearly in this day as I did yesterday by My prophets. The loudness of the roar of the nations and of My children makes My word hard to be heard that I give My prophets. But I will bring silence upon the earth just as their will be silence in the heavens. The nations will no longer roar after the earth stops vomiting out disaster on the people. Many will have died and the living will stand in shock and fear at what they see. No nation will be spared of what is unfolding.

The living will ask, why did all of this happen. The majority will not accept or understand that it is I, the Lord God, Almighty that has brought darkness upon this world. They do not understand that they worship the idols of technology thinking that these idols will protect them. Now they suffer death, pain and sorrow because the noises of their rage and disagreements have drowned out My messengers the prophets I have sent forth. Now they will be forced to wallow in the vomit of the earth. While they wallow in grief and sorrow being silent, they will hear My words by My prophets that they may repent.

Fear not man and his evil plans but fear Me the God of the universe. If you are reading or hearing this message, repent now this minute of your evil ways. This applies to the world's people and My people walking in sin. For if you die as the nations rage and the earth vomits out, then you will have darkness for ever more being separated from Me in all eternity.

I have had My prophet speak this, My words, this day. I do nothing without telling My prophets first. My warnings have been given for generations never being heard because repentance never came. Each generation is more evil than the one before. Mercy and grace is ending for I will close this age my making My church ready. Those now walking and those who repent will have heavenly peace in the middle of the storm. Many will lose all their earthly possessions. I will cover them and they will walk with me being provided for by Me. Those who by faith, obedience and by knowing and walking in the truth by My written word and by My spoken word by My Spirit with My Son as their head are the only ones who will be My Church that I come for. Repent. I say repent you people who rage. Repent. I say repent My children who are in the sin of disbelief of all of My word.

Repent. I say repent you compromisers of My word. My faithful ones fear me and not what you see happening on earth. My faithful ones be ready to give your lives as I gave mine. My faithful ones be overcomers as I overcame to receive your crown of life and your rewards in heaven. My faithful ones it will be you who rule and reign word allowing sin in your church. Repent. I say repent. Without repentance you have no hope. Without repentance you fear Me not.

To My faithful ones I pour out blessings, power, majesty and My shining glory upon you. with Me on earth and shall enter the gates of the New Jerusalem.

I am God and My prophet has obeyed this day. Will you repent and obey to become faithful? The choice is yours. I have wielded My sword of truth this day. Both edges have been shown. I am God. I change not. You must change to live with Me on earth and in heaven.” Amen.
