This morning I knew in my spirit that the Lord was going to speak to me during prayer closet time. When I entered my prayer closet I heard the words “hard times” from the Lord by my spirit man. The Lord said “write John”.

Hard Times

“Hard times are upon this land I set aside for freedom over 200 years ago. What kind of hard times you ask? I ask you what hard times are. Hard times are a lack of necessities, a great loss of properties, the death of many from My natural disasters, wars and murders among men and governments. Hard times come because this nation has lost its way worshipping other gods and what has been created forsaking the one God whose blessings were poured out upon this nation at its inception. I was their God then. My presence was in the minds of men from the President to the lowest slave. I was worshipped in the government, schools, public places and churches. I was feared and your enemies were few. I gave favor to this nation and it bloomed filling the land as I planned. I loved you and you loved Me with My name spoken from your lips and My name written in your hearts.

Oh, My people you have left Me in a few generations for your gods that cannot protect you or save you from hellfire and damnation. You being sly of heart, full of pride and loving evil will suffer hard times. Read the signs you blind and deaf nation. What was will no longer be and what is to be will be famine, depression, and recession. Your love of money won't buy you anything because there will be nothing to buy. Hard times and failure I cast upon you that love Me not. While your backs are turned toward Me, you will see and suffer horrors you thought not possible. Trouble you will have in the morning, at noon and at night. Tears you will cry because fear will over take you by the hard times around you and upon you.

Repent and save your soul from hellfire and damnation. As you stand you are condemned Untied States of America as My hand is against you. Listen to Me you government leaders who trade in the souls of your fellow men and women. Listen to Me you church leaders who twist and distort My word for your power and pleasure. Listen to Me professing Christians having not faith being in unbelief. Listen to Me you citizens of this nation being whores, gluttons and lovers of self. Listen to Me you fathers and mothers who refuse to discipline and nourish your children. You are liars and having been lied to believing those lies as truth.

Repent and save yourselves from hellfire and damnation. Hard times will be suffered by all in this nation as I bring it to its knees with many being killed. Without repentance if you die hellfire and damnation will be your lot and later the 2nd death. Those who have repented and who have always walked with Me, many will also die in these hard times. It is only those who

walk with Me that will be given a new heavenly life. All live once then judgment. The choice is yours to make. I tarry not. I come for My Church being My body. When I come those without repentance will die by the sword that will come forth from Me being condemned to the lake of fire forever and ever. Repent to save your soul from eternal torment of smoke and fire forever and ever. Repent that you may be with Me forever and ever having love, peace and joy.

Hard times are here as I strike you with direct blows from My fist. I have given you glancing blows in generations past and you have repented not. Hard times I bring because I love you but I cannot any longer let your sins go unpunished. I call out, repent and if you do with repentant hearts, I will forgive you. I want none lost to hellfire and damnation.” Amen.

The Lord used the word sly of heart. To understand the depths of depravity of the hearts of the people of this nation let us look at the word **sly** with its synonyms and definitions from Merriam-Webster’s dictionary. SLY and its synonyms: CUNNING, CRAFTY, WILY, TRICKY, FOXY, ARTFUL, SLICK mean attaining or seeking to attain one's ends by guileful or devious means. SLY implies furtiveness, lack of candor, and skill in concealing one's aims and methods *a sly corporate raider*. CUNNING suggests the inventive use of sometimes limited intelligence in overreaching or circumventing *the cunning fox avoided the trap*. CRAFTY implies cleverness and subtlety of method *a crafty lefthander*. WILY implies skill and deception in maneuvering *the wily fugitive escaped the posse*. TRICKY is more likely to suggest shiftiness and unreliability than skill in deception and maneuvering *a tricky political operative*. FOXY implies a shrewd and subtlety of method *a crafty lefthander. ARTFUL implies indirectness in dealing and often connotes sophistication or cleverness *elicited the information by artful questioning*. SLICK emphasizes smoothness and guile *slick operators selling time-sharing*.

We are a nation ripe for judgment and it will be so just as the Lord spoke above. We must repent of our slyness of heart prostrate on the floor before God to save ourselves from hellfire and damnation. We must fear and obey God. We must no longer fear man and do his commands. God has not nor will ever be slack in His warnings from His prophets. How much longer will we be slack in repentance because we chose to ignore God’s warnings? We are repeating Israel’s and Judah’s examples and we will suffer judgments from the hand of God just as they did.

God changes not and Jesus Christ is the same yesterday, today and forever. Jesus Christ came the first time and died for the sins of the world. Jesus Christ is coming again for His Church and to destroy all who do not belong to Him. If you think not, read and hear the words in the book of Revelation. If you think you will not suffer for Jesus’ names sake, read and hear the words of Jesus Christ, Paul, John, Peter, James, Jude and the other writers of the New Testament. You have been lied to if you think otherwise. Remember the words of John wrote in *Revelation 1³ Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.* (KJV) How can we be blessed and saved from hellfire and damnation if we do not read or have not heard the word of God? How can we be blessed and saved from hellfire and damnation if we don’t obey the word of God after we have read and heard? Have you examined yourself, repented and prepared being ready so that if you die in the hard times coming you will have eternal life with Christ and not eternal life in the lake of fire? Amen.
