

March 17, 2006

As I went to prayer this day it was in my spirit to go before God on the floor with my pen and pad. This is what the Lord spoke this day.

“Peace John, peace. That is My word for My true children. My true children are those who I have called forth and they have obeyed My order of things. Peace be with My children in the storm of destruction. Keep your peace and stand fast in this storm always listening for My word by My Spirit. Peace be to My children who have drawn close to Me because I cover you in all your days. Peace be with you as I send you forth. Peace be with you as the multitudes surround you. Peace be with you if you give your life because you love and fear Me your God.

Have peace and rejoice as you suffer for My names sake. Have peace and rejoice knowing that you must complete the race started by others that came before you. Have peace and rejoice as you overcome the world as I overcame the world.

Have peace and prepare now this day and each day here after. Have peace and prepare to go as I send you. Have peace and prepare by My word and My Spirit to be My light in the world that shines through you. Have peace and prepare to be My Church I am coming for.

Above all have peace and love in all things of My kingdom. Have peace and love as you harvest and meet together being My Church. Have peace and love getting wisdom and understanding from heaven. Have peace and love as you exhort one another by My Spirit and the gifts of My Spirit. Have peace and love Me and walk with Me by My Spirit. Have peace for you shall receive your crown of life and your rewards being given a white raiment. Know this that without peace you will fear what you see before your eyes as the nations rage and earth vomits forth.

Peace, peace be with you My children and it will be by your love and faithfulness and by My power, glory and majesty that you will be overcomers to be My Church. Fear not when some of your brothers and sisters die for the word of their testimony but have peace knowing and walking in the truth being My Church.

Have peace, love and rejoice. Become My Church I am coming for as I shake all the heavens and the earth. Righteousness shall prevail. I tarry not. I come.” Amen.
