

March 27, 2006

Since August 1999 the Lord has been teaching me by the Holy Ghost about the sin in the churches and the church leaders being hirelings. Last evening on the internet I went to David Eells website (www.americaslastdays.com). I opened up the section 'frequently asked questions' and found the question 'is this ministry a 501(c)3 organization?'. The information contained answering the question increased my knowledge and wisdom about my teachings from the Lord and my faith increased after reading David's answer.

Last night the Lord confirmed David's answer in a dream. This dream was what I call a loop dream because each time I would wake up and go back to sleep the dream would repeat. This is the dream: I was in western Kansas operating my communications business at Meade. I was trying to run my business as I did in the past. Everyway I turned I was confronted three men challenging my business decisions. They told me I had to do it their way. Inside my office and showroom floor were the kids of the men that were confronting me running wild and unchecked destroying all they touched. I had no power to stop them. I left the building out of the back overhead door and as I went to close the door it fell to the floor.

Then I was at the back of my business property doing something that totally unrelated to my business, thinking that I could satisfy the people confronting me. I had a pickup of one those people I was working on. I had removed the motor and had it disassembled in the alley beside my lot. I was fixing a problem that was very unusual that no one else had solved. I was in the process of reassembling the engine to reinstall it in the pickup thinking how pleased they would be and perhaps let me get back to my own business without any further problems. The three men showed up and one of the men began to argue with me. What have you done to my pickup? Who told you to work on it? The other two men tried to calm him down and then they started fighting among themselves with words of disagreement. There I stood with wrenches in hand not knowing which way to turn or what to do. The only thing I was thinking was that I needed to wash off the engine before I put it back into the pickup. This is where the dream stopped each time I woke only to begin again when I went back to sleep.

Upon arising this morning I asked the Lord what was the dream about. The Lord said remember what you read last evening about the churches and their 501(c)3? Your business represented the church and you the leader of that church. The men are of the government telling you what you can and cannot do. If you disobey them your business will be destroyed and you will be torn between your business and the men never to accomplish any success in your business. In the long term your business will

be destroyed and you will be striped of all authority bowing down to the handouts given by the men. You will die a broken man physically and spiritually. The Lord again confirmed to me of what is going on the churches this day and David's answer expands the why.

I encourage all who read this to go to David Eells' website and read his answer. If you do not have internet availability let me know and I will send you his answer by mail. I include David's beginning paragraph of his answer.—

“Dear friends,

Assemblies who bring themselves under the 501(c)3 laws or get involved in the Faith Based Initiative do it because they are bribed by the state to unduly serve them as the following articles demonstrates. For the sake of advantage they sign away their freedom to follow Christ as Lord. That is a sign of a harlot. However to be balanced on this subject we must teach obedience to the state unless and until we are told to disobey God. **The state makes no demand yet that we sign away our freedom. (Acts 5:29) But Peter and the apostles answered and said, We must obey God rather than men.”**

Brothers and Sister in Christ you must come out of them that serve the State the antichrist the beast system. Don't be deceived and remain within their walls. As Jesus Christ told me last Saturday March 25: “they are dead, doubly dead, sitting in darkness claiming life and are condemned without repentance”. I can only give what the Lord gives to me by the Holy Ghost in dreams, visions, teachings and warnings. It is the choices you make that will determine whether your name will be removed from the book of life. Repent and heed the word of God by His written word and His word by the Holy Spirit. God's judgments are upon us. Examine yourself that you may live and not be condemned.
