I recorded this dream from the Holy Spirit.

In this dream I was a viewer and not a participator. I was looking at a pre-modern world. I could tell it was from the past by the way the people I saw were dressed. I did not see any cities or homes. In this world a door way opened up in the sky. I saw a person in that world cutting trees and using those trees to try and reach the door.

The scene changed and I was seeing on the other side of the door. I saw the inside of a modern home finished in dark polished wood. At the door way looking into the other world were owners of the home. A person from the world below had reached the door way and entered into the modern world. I did not see what happened next, but only the woman of the house from the modern world was taken into the other world through the door way by the person who had entered. Then the door way then shut by the owners of the house.

Much later the door way was opened again by the people of the house. They looked down into the other world and saw the woman who had been taken. They went down into the other world to bring back her back. She refused to go back. She showed them her family. She told them she belonged with her family. She offered her oldest son to take with them if he wanted to go. The son went with them into the modern world.

The women's son had trouble fitting into the modern world. He lacked understanding and refused the knowledge offered. The women's son and part of the other family went on a quest. In their searching they found another door way into another world. They stood in the alley of a world of the future. They were afraid to go forth out of the alley, but did not want

go back into their world. With courage they went forth into the new world they had found. When they stepped out of the alley into the new world, the door way went shut and disappeared. They knew at that moment they trapped in the world they entered.

They walked until they came to a building they could enter. They saw no people or traffic vehicles of any kind. There were no sounds only silence. They saw at the end of the streets many garage doors of different sizes. All of the doors were shut. Painted on the street were markings to guide the vehicles on the path they were to go. Entering the building, the group on the quest met the people of that world. The group was separated to one on one with the people of the world of the future. The only thing I heard was a warning to each of the visitors was 'do not go out into streets at a certain time'. They did not listen and returned to the streets. As they walked on the streets, suddenly all of the garage doors on the streets opened at the same time. Many different sizes of vehicles came roaring out. The streets were filled with vehicles and they stopped for nothing. The group ran to get out of the street and pressed themselves against the side of a building. They were standing next to a garage door, but the vehicle was stalled. They went inside the garage and saw people standing around while the vehicle was being serviced. There was panic in the air because the vehicle did not leave in the time allowed for it. The vehicle was shaped like an airplane fuselage with large racing tires. The group looked inside the vehicle as it was being serviced. They offered their assistance in the repairs. All I could see in the dream was a large flywheel as a motor. The vehicle was ready and the group was offered to go with the other people and they accepted.

I did not see where the vehicle went. I only saw that it was traveling fast and through many different periods in time. The faces of all the people would change. In one instance they would look like themselves. Then they would look entirely different and have the face of someone else. Then they would look like themselves again.

The group was back at the original building they went into when they entered into this world of the future. They were beating on the doors and crying out to be let in. The doors came open and they stumbled into the area where they first meet the people of the world. They were separated and taken to the booths for one on one conversation again. As the people of that world spoke their faces would change from one being to another being like what I saw as the vehicle traveled through the different periods of time. The people of the group became confused because each time the

person speaking would change the information he spoke would contradict what the other face spoke. The truth never came out the same. With each face change of the person of that world a different truth was spoken. The newcomers that could never go back to their world were forever in this new world not knowing the truth about anything. The dream ended.

After typing out this dream, I printed the dream and went to prayer seeking the interpretation. As I lay on the floor holding up the printed dream to the Lord, I asked for the interpretation. The Lord started speaking and this is the interpretation. “The different worlds in the dream are the many denominational churches of the world. None of the churches have the My truth because then do not know Me with personal intimacy or do they hear My voice and obey. They spy on one another and steal people from one another with promises of a better way or program. Those looking for My truth will never find it by running fast from church to church. They will be run over by the programs and traditions of the churches finding only damnation for themselves and their family. As they seek the truth from the different church leaders, all will be lies with only a seed of truth. The churches today have not the truth because they disobey My truth. The churches today are the church of the Laodiceans. I have a remnant set aside out of the churches that are ready to speak My truth at My command to harvest out of the churches the good seed that will repent and obey My truth. I am the door opener and closer and not the churches. Remember the denominational church must die for the seed within to live.”

Revelation 3:14-22 **14** *And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God;* **15** *I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot.* **16** *So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.* **17** *Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:* **18** *I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see.* **19** *As many as I love, I rebuke and chasten: be zealous therefore, and repent.*

20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. 21 To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne. 22 He that hath an ear, let him hear what the Spirit saith unto the churches. (KJV)

Ephesians 4:11-14 11 He [Christ] is the one who gave these gifts to the church: the apostles, the prophets, the evangelists, and the pastors and teachers. 12 Their responsibility is to equip God's people to do his work and build up the church, the body of Christ, 13 until we come to such unity in our faith and knowledge of God's Son that we will be mature and full grown in the Lord, measuring up to the full stature of Christ. 14 Then we will no longer be like children, forever changing our minds about what we believe because someone has told us something different or because someone has cleverly lied to us and made the lie sound like the truth. (NLT)

Ezekiel 13:13-15 13 "Therefore, this is what the Sovereign LORD says: I will sweep away your whitewashed wall with a storm of indignation, with a great flood of anger, and with hailstones of fury. 14 I will break down your wall right to the foundation, and when it falls, it will crush you. Then you will know that I am the LORD! 15 At last my anger against the wall and those who covered it with whitewash will be satisfied. Then I will say to you: 'The wall and those who whitewashed it are both gone. (NLT)

Matthew 23:26-36 26 Blind Pharisees! First wash the inside of the cup, and then the outside will become clean, too. 27 "How terrible it will be for you teachers of religious law and you Pharisees. Hypocrites! You are like whitewashed tombs--beautiful on the outside but filled on the inside with dead people's bones and all sorts of impurity. 28 You try to look like upright people outwardly, but inside your hearts are filled with hypocrisy and lawlessness. 29 "How terrible it will be for you teachers of religious law and you Pharisees. Hypocrites! For you build tombs for the prophets your ancestors killed and decorate the graves of the godly people your ancestors destroyed. 30 Then you say, 'We never would have joined them in killing the prophets.'

31 *"In saying that, you are accusing yourselves of being the descendants of those who murdered the prophets. 32 Go ahead. Finish what they started. 33 Snakes! Sons of vipers! How will you escape the judgment of hell? 34 I will send you prophets and wise men and teachers of religious law. You will kill some by crucifixion and whip others in your synagogues, chasing them from city to city. 35 As a result, you will become guilty of murdering all the godly people from righteous Abel to Zechariah son of Barachiah, whom you murdered in the Temple between the altar and the sanctuary. 36 I assure you, all the accumulated judgment of the centuries will break upon the heads of this very generation.
