May 2, 2002 The Holy Spirit Spoke.

The Lord was speaking this AM before I arose from bed. He brought forth the vision I received January 2, 2001 of the pool of water that was stilled but brown in color. *“Then God showed me a second vision. It was a pool of stilled water with high cliffs on each side of the water. The water was brown in color. God said “The stilled water represents a time of rest between training and tribulation. The water is brown for the training was intense and would not have time to clear before tribulation. The training is for the preparation and establishing a close, close, close relationship with Me, followed by signs, wonders, and miracles, but rejected by many Christians and Churches. Yes revival will be rejected.”*

Then the Lord said—“Observe the signs of the times. When you see My Church re-established and the great revival through My Church you will know tribulation is near. Notice, I said observe the signs of the times and I gave no set time. Be ready and be one with Me. As this nation began the downward spiral September 11, 2001 it will continue downward in stages. Those who put their trust in money and their government will be disappointed. Those who seek Me with pure and hungry hearts will be blessed and all their needs supplied. My truths will be heard and blessings for those who hear and follow for they will be set free. Judgments are upon those who hear and do not follow. My Word will cover all of man’s doctrine of this world and of the churches. Watch, listen and see the signs of the times. I come, I tarry not.”
