The Lord spoke this to me in the night by the Holy Spirit. He did not speak it all at once, but at different times in the night when I was not sleeping soundly. The next morning in prayer I asked the Lord to bring the message to me again. The Holy Spirit began to speak and I recorded. "You will speak as my prophet. All your training has not been in vain. My truth will be heard from your lips. Multitudes will hear you speak. Continue to obey and wait for my command. You will go as I have showed you. You have prepared and you are prepared. Now prepare my Church."
