## **October 8, 2002**

The Lord said this day—“The next judgment I spoke at Prayer Lake on September 9, 2001 is now going on. It is the strike at the west coast ports.”

This is what I spoke as received from the Lord—“The next judgment will be on the west coast, I will rip it from top to bottom and from side to side.”

This is what the Lord showed me this day. All the ports are closed from top to bottom, Canada to Mexico. The ripping from side to side is that no goods are moving into the coast from the ocean side and no goods are moving into the coast from the land side. That is the ripping from side to side. The economy is being effected nation wide with a lack of goods and shut downs of plants, which is an on going judgment the Lord spoke to me about after 9-11. As the Lord spoke these things, he brought to my memory the map that was in Saturday’s paper of the ports being closed. As the map show the ports closed were from the Canadian border to the Mexican border which is from top to bottom.

Then the Lord spoke this—“The President can give all the orders he wants for a cooling off period, but it won’t work. Even the National Guard will be called out to keep the peace. The conflict will continue for it is my judgment.”

Then the Lord started speaking to me about power. “Man’s power is nothing compared to my Kingdom power. Man’s power is physical power.

My power is spiritual power. Spiritual power is the spoken word from my anointed ones I have called and prepared. With their word spoken, they can call down fire from heaven. What is fire from heaven? It is two things. It is literal fire from heaven. It is the spiritual gifts and anointing I have given the ones I have prepared. It is tools in the tool box of their hearts that by their word can be called forth and used. Spiritual power always cancels man’s physical power. Those who depend on man and his power will fail. Those who depend on spiritual power will be overcomers.”

Amen.

The Lord spoke in prayer this morning—"I am a God of holiness. My children who call upon my name must be holy as I am holy. They sin in ignorance because of the lack of knowledge and is separates them from me. They walk in fear and anger because of the troubles upon this unholy nation. If they were holy as I am holy, they would have no fear or anger, but love, peace and joy rejoicing and being glad in each day they live. Seek me and obey my commandants. By doing so, you will love me and be holy as I am holy, for you will be in truth without sin." Amen.

Then I heard this spoke in the Spirit—"Walk in the water of holiness, be washed in the word of holiness, be lead by the Spirit of holiness. Do not walk in the un-holiness of "church" traditions and doctrines."

The Lord spoke this in prayer today—"Man with all of his laws instituted to save lives are the ideas of man without Kingdom direction. I value all lives as doe man, but without my participation or even being acknowledged, when does that leave man and his laws?

By my being ignored, cursed, and denied all the laws of man are vain. Man will be judged for his vainness and his laws will fail as man falls for his foundation is built upon sand. In man's failure and fall chaos will be the rule. Only those walking with me in the Spirit and in unity will escape the chaos. Listen makers of the laws of the land, repent now and suffer not chaos that is coming. All will see my judgments with their own eyes and many will die in fear for they feared me not. Save yourself, repent now, seek my face now, prepare now." Amen.

In prayer this morning the Lord talked to me about our spiritual fuel gage. The Lord stated—"The Spiritual fuel gage is on empty for many and they run on empty. They only put in enough fuel once a week allowing them to sputter along until the next fueling. Fill up on Holy Spirit fuel and have full power daily to go everyday. With Holy Spirit fuel we are complete for we have the Father, the Son and the Holy Spirit. When we are complete, we will be competent and compatible with the Kingdom of God and his representatives." Amen.

**November 9, 2002**

Upon awaking and talking to the Lord, I saw in a vision a tree stump that was burned black. I could not tell its location. The Lord spoke—“As a tree stump puts its tap root deep in the ground in search of water, put your roots deep in Jesus Christ. Then on that day you will stand wherever I have planted you and you will speak my truths in the midst of destruction and when you are persecuted even to death, you will be with me for your roots are in me.” Amen. *Colossians 2:6-10* **6** *And now, just as you accepted Christ Jesus as your Lord, you must continue to live in obedience to him. 7 Let your roots grow down into him and draw up nourishment from him, so you will grow in faith, strong and vigorous in the truth you were taught. Let your lives overflow with thanksgiving for all he has done. 8 Don't let anyone lead you astray with empty philosophy and high-sounding nonsense that come from human thinking and from the evil powers of this world, and not from Christ. 9 For in Christ the fullness of God lives in a human body, 10 and you are complete through your union with Christ. He is the Lord over every ruler and authority in the universe. (NLT)*

Later the Holy Spirit spoke this and I heard it clearly—“On July 6, 2011 will be the final defeat of the gun controllers.”
