

Preface

September 2004

Dear Brothers and Sisters in Christ the Lord himself has called me as his prophet in these latter days of the last days. I have been faithful to hear and record and publish as directed by the Holy Ghost. The Lord is God and our human logic does not apply in his kingdom work. What you hold in your hands are teachings and warnings from the Holy Ghost that we may test ourselves to see if Christ is in us. We must always remain humble before the Lord that he may lift us up otherwise we become proud in our thinking becoming workers of iniquity.

A warning, one of two things will happen in your spirit as you read the contents of this book. If you see that Christ is not within you according to the Word of God as you test yourself against the Word of God, you will then humble yourself before the Lord and repent. You will then seek the truth and obey the truth of the teachings of Christ coming into the perfection of Christ with full understanding of who you are in Christ finding the truth being set free from the bondage of this world and the shackles of lies being taught in many churches this day. Or you will become angry lifting your fist against the kingdom of God proving that Christ is not in you serving the prince of the air of this world.

I pray that you become who you claim to be not losing what you think you have being ready on the day of the Lord's return for his Church without spot or wrinkle. Then you may receive your crown of life and the many rewards laid up in heaven for you are serving Christ in truth and love being guided by the Holy Ghost in your life. There are no short cuts in our service in the kingdom of God as we live in this world. God has his order and we must serve God by his order in his timing. By faith and belief we receive Christ into our lives being saved, but it is our works with faith and fear and trembling that we have salvation on the day Christ returns for his Church.

God changes not and Jesus Christ is the same yesterday today and forever. We must change and become new wineskins to be partakers of the new wine that is being poured out from heaven in these days to serve in the army of Jesus Christ loving our lives not unto death. Even as the angels in heaven have a free will in serving God so do we as his children. I pray that you make the right choices and serve God by faith and works. Otherwise you serve the prince of the air of this world by default.

Are we (Christians) who we claim to be? Read and study the contents with prayer and humility to test yourself. Amen.

**If You Fear Not God,
Read What The Lord Has Spoken.
Then You Will Have Knowledge.
Repent and Fear God.**

July 15 2004.

As I entered my prayer closet today the Holy Spirit started speaking and I recorded with a grieved heart of what he spoke.

“Hear My words this day. I am the Lord, the God that created all things seen from the unseen. My words are righteous and holy with no dilution or compromise being perfect. I expect the same from My children, they are without excuse if they fail to come into perfection. I sent My only begotten Son to lead the way by example by being born of flesh and blood. But who listens, who seeks, who reads, who prays that they may be in My will achieving and finishing the works of My Son on this earth before He returns?

Your days are numbered that walk in sin professing you are mine. Your prayers, your songs, your works are an itching rash on My skin and a pounding noise in My ears. You have listened not to My Spirit. You have denied My discipline. Rebellion is your name all the while claiming righteousness. Heed My words you houses of Satan that have been deceived by spirits of religion that claim My Son. Your time is up. Patient and long suffering I will no longer be.

Just as a count down occurs with the launching of a spaceship, now listen, My count down is past one and My thumb is on the ignition button. Now listen, when I push the button, what is will no longer be and what’s to be will be the opposite of what was. Repent, repent, repent for on that day when the button is pushed the fire of My judgments fall. If you are in sin, you are damned if you die. My grace and mercy ends for those in the houses of unrighteousness including the leaders. Now listen, only by repentance in judgments may you obtain My grace and mercy. Repent and prepare now this day. Seek out My hidden ones that have My mark. Listen to them. They have the truth taught by the Holy Ghost. These are My shepherds. They are My priests, My lights, My representatives. They have been tried and tested. They walk with Me in the Spirit at all times and hear as My Son did. Greater things will they do at My commands. Listen to them and live.

In judgments if you listen not to them or if you listen and obey not, you become My enemy and the lake of fire will devour you on that day. Now listen, before I send My Son for His Church, in these judgments I will make His Church ready. Repent now and serve My Son’s Church. Repent not and serve Satan the father of lies, the deceiving light who steals souls. Repent and fear Me who sends souls to hell. Repent, judgments are at hand. Repent, repent, repent.”

Jesus Christ will have his Church.

God's judgments are upon us.

Now is the time to know God.

Repent and be prepared.

Be who we claim to be.

Who has truth?

Only those who have love.

Who has love?

Only those who obey the truth.

Who knows God?

Only those who have truth and love.

Who practices Christianity?

Only those who know God.
