# Prophecy on Iraq and USA

**05-17-04.** In prayer this day the Lord reminded me about the prophecy he gave me concerning Iraq and this nation. He told me to read again that prophecy to remind me of what he said to watch that prophecy come to pass. I tremble in fear of what is about to occur, but I have peace knowing and walking with the Lord being in the will of the Father ready for my day of salvation.

**04-01-03.** The Lord woke me up at 6:00 today and spoke to me. It was in reference to the **four prophecies** he has given me since December 1, 2002 about the Iraq situation. The Lord said to send out his word and it would not return void. He gave me names to send the prophecy to.

When I went to my prayer closet this day, I humbled myself before the Lord with my face on the floor. I started crying as I thought about what the Lord is going to do. I cried to the Lord about the children that would not have a childhood with memories as I had. I prayed “Lord take care of the children and protect them.” As I laid on the floor crying and sobbing, my Lord Jesus Christ started speaking to me. “I will take the children under my wings. I will place them in my Church that I am establishing according to the Word. They will be matured by the leaders I place in my Church. They will receive in this life the things of the world to come. They will become my army for tribulation. They will have love, peace and joy.” Then my Jesus gave me words of encouragement and promises. He said—“speak and send out what my Father has given you as we direct.”

Brothers and sisters thank God that he loves us enough that he is giving us another chance to become his servants. He judges us because he loves us. We do not know our future as to whether we will live or die in the judgment being unleashed by God. We must be ready at all times and not walking in disobedience to the Word of God. That is sin and sin separates us from God. Upon death it will be too late to repent. Repent now while there is time. Tomorrow may be too late for many. Remember if we die, we win for we are not citizens of this world. If we live we win, because we can continue to serve God and be overcomes and a light unto the world. Either way living or dying we belong to God, if we are not in unrepented sin and obeying the whole Word of God with out compromise. Otherwise we are

liars not having truth and love serving the antichrist the prince of this world. Amen.

**12-10-02.** In my prayer closet this day as I was praying in the spirit, the Lord spoke this—“If the United States of America attacks Iraq, it will be their **folly**.” Then the Lord said to look up folly and Proverbs 21:30-31.

Webster’s dictionary—**Folly** [ME. Folie < OFr. < fol: see FOOL] 1) a lack of understanding, sense, or rational conduct; foolishness 2) any foolish action or belief 3) any foolish and useless but expensive undertaking 4) a. [Obs.] wickedness or evil; also, lewdness. b. action that ends or can end in disaster. Fool—1) a person with little or no judgment, common sense, wisdom, etc.; silly or stupid person; simpleton.

**Prov 21:30-31 30** *There is no wisdom nor understanding nor counsel against the LORD. 31 The horse is prepared against the day of battle: but safety is of the LORD. (KJV)*

**Prov 21:30-31 30** *Human plans, no matter how wise or well advised, cannot stand against the LORD. 31 The horses are prepared for battle, but the victory belongs to the LORD. (NLT)*

**Prov 21:30-31 30** *There is no wisdom, no insight, no plan that can succeed against the LORD. 31 The horse is made ready for the day of battle, but victory rests with the LORD. (NIV)*

**Prov 21:30-31 30** *No wisdom, no understanding, no counsel, can avail against the LORD. 31 The horse is made ready for the day of battle, but the victory belongs to the LORD. (NRSV)*

**02-13-03.** In prayer this day the Holy Spirit spoke—“I raised up President Bush to lead this nation to Godliness. He compromised My Kingdom by bowing down before other god’s. Now I have hardened his heart for this battle with Iraq to bring this nation to defeat. The world will tell America ‘go home’. This nation will suffer judgments as I have shown you. Will they repent? The choice must be made. Either way I will have My Church to do My greater works. My truths will be heard during these judgments and all will be given a chance to repent.”

**03-26-03.** In prayer this day the Holy Spirit spoke—“This nation the USA has broken their sacred trust I gave them. They were to be a defender of freedom. They are now the aggressor. What they inflect upon Iraq, I will inflect in judgments upon the nation seven times greater by aggressor nations. This nation will meet its waterloo in Iraq. Blood will run in the

streets of America as water after a rain. The spirit of the nation (USA) will be bruised, but I will rise up my church out of this chaos. This nation's spirit will rise to its Godly roots it had at its birth. Remember the 1/7 of seventy years of trouble upon this nation which started 01-21-01."

**03-30-03.** In prayer this day the Holy Spirit spoke— "Iraq is a Trojan Horse. Its hind's feet rest on the southern port with its belly at Baghdad and its head toward its northern border. America did not cut its legs out from underneath the horse. Now she kicks and stomps her afflictors. America beware-upon reaching her belly, the door of her belly will open and out will come death by plagues and pestilence. Then the horse will smite the north with its mouth. The sound of war will stop. America the land is now enveloped spiritually with a ring of fire ready to drop. Other destruction awaits depending on the damage to the horse."

**Plagues**—1 a : a disastrous evil or affliction : CALAMITY b : a destructively numerous influx, a plague of locusts. 2 a : an epidemic disease causing a high rate of mortality : PESTILENCE b : a virulent contagious febrile disease that is caused by a bacterium (*Yersinia pestis*) and that occurs in bubonic, pneumonic, and septicemic forms called also black death 3 a : a cause of irritation : NUISANCE b : a sudden unwelcome outbreak, a plague of burglaries.

**Pestilence**—1 a contagious or infectious epidemic disease that is virulent and devastating; especially-: BUBONIC PLAGUE 2. anything, as a doctrine, regarded as harmful or dangerous.

*Isaiah 5:18-30* **18 Destruction** is certain for those who drag their sins behind them, tied with cords of falsehood. **19** They even mock the Holy One of Israel and say, "Hurry up and do something! Quick, show us what you can do. We want to see what you have planned." **20 Destruction** is certain for those who say that evil is good and good is evil; that dark is light and light is dark; that bitter is sweet and sweet is bitter. **21 Destruction** is certain for those who think they are wise and consider themselves to be clever. **22 Destruction** is certain for those who are heroes when it comes to drinking, who boast about all the liquor they can hold. **23** They take bribes to pervert justice. They let the wicked go free while punishing the innocent. **24** Therefore, they will all disappear like burning straw. Their roots will rot and their flowers wither, for they have rejected the law of the LORD Almighty. They have despised the word of the Holy One of Israel. **25** That is why the anger of the LORD burns against his people. That is why he has

*raised his fist to crush them. The hills tremble, and the rotting bodies of his people are thrown as garbage into the streets. But even then the Lord's anger will not be satisfied. His fist is still poised to strike! 26 He will send a signal to the nations far away. He will whistle to those at the ends of the earth, and they will come racing toward Jerusalem. 27 They will not get tired or stumble. They will run without stopping for rest or sleep. Not a belt will be loose, not a sandal thong broken. 28 Their arrows will be sharp and their bows ready for battle. Sparks will fly from their horses' hooves as the wheels of their chariots spin like the wind. 29 Roaring like lions, they will pounce on their prey. They will seize my people and carry them off into captivity, and no one will be there to rescue them. 30 The enemy nations will growl over their victims like the roaring of the sea. A cloud of darkness and sorrow will hover over Israel. The clouds will blot out the light. (NLT)*

### **April 6, 2003**

I record this dream from the Lord with his interpretation at the end.

This dream begins with a small dog that I see. I don't know where the dog is from or the owner. I begin preparing for a mission to find the owner and take the dog home. I hooked up my truck to a larger trailer loaded with supplies. I begin my journey and saw some people along the way and asked them if they wanted to help me. I showed them the cute small dog and explained my mission. They joined up with me.

We continued on throughout the day down an unknown road. There were three of us in the front seat of the truck. The truck had loud exhaust pipes making extra noise as I shifted gears driving. In the dream I was sitting in the middle of the seat driving with the people that joined up positioned on each side. We roared on never stopping. We came upon a curve with cars two columns deep that were coming to a stop. At the speed we were going, I down shifted and pulled into the incoming lane to prevent from rear ending the cars stopping. As I was braking we crossed another highway, finally stopping across the intersection off the roadbed with the nose of the truck headed up the embankment rising out of the ditch. I looked and saw that road construction was being done about the intersection. The cars were stopping because of the construction. We had caused no damage and had not interfered with the road construction. I backed up the truck and the trailer onto the highway and we continued onward into the night never stopping. Always shifting gears for the hills and making much noise in doing so from the exhaust pipes on the truck.

Late into the night about daybreak, I sensed danger up ahead. I slowed down and finally stopped. Shutting off the truck we opened the doors. As soon as we stepped out of the truck we began sliding down a steep hill. We gathered our wits at the bottom and looked about. We could make out a farm house and could hear a police scanner inside. All the doors and windows of the house were open for ventilation, as the night was very warm. Day was breaking and we looked up and saw where the truck had stopped. It was parked on a very narrow ridge and if the truck had went a few feet further we would have gone down the hill and crashed into the farm house at the bottom. I tried to get my fellow travelers to pray with me, thanking God for saving our lives. They would have nothing to do with the suggestion. With full daylight we saw another pickup parked behind us on the ridge. We saw a man come from an out building and he offered us no help. He shrugged his shoulders and went into the house. I looked again at my truck upon the ridge. Instead of the very larger trailer that I started out with, the trailer was now a very small two wheel trailer. There was not any way to get the truck off of the ridge. I could not turn around or back up because of the trailer and the pickup behind me. I examined the problem from different view points. In the dream we stuck with no way out. The dream ended.

This is what the Lord gave as interpretation. The dream is about Iraq and the USA. The truck and the trailer is the USA government and its military. The small dog is the world threat the USA is going to destroy. On the way the USA picks up allies represented by the two other passengers in the pickup. They offer little help because they added nothing to the trailer. The pickup roaring onward is the USA's mindset to destroy the world threat. The cars at the road construction and the road construction is world opinion telling the USA to slow down and reconsider. The USA stops for nothing or listens to no one but plows ahead to its destination, the taking of Baghdad. The USA has not sought God for counsel. They give only lip service to God. Now they have stopped at the door of Baghdad. They are trapped because of their pride and arrogance.

Then the Lord spoke this—"They think their war machines are indestructible, but I God see them as small toys. I am God, the Alpha and Omega, the one in the beginning and the one in all eternity. By my word this nation's military actions will cease. Their equipment will be left in their camps as they try to escape my wrath running to safety. Their mighty airplanes will be worthless unable to perform. Who will survive my wrath? Only the ones I allow. Who laid the trap and set the snare? I God, myself

will shoot them down. My arrows will pierce them. Their own words and actions will be turned against them. They will be defeated. They sought not my counsel, but have cursed me and bowed down before the idols of self and technology.”

**May 9, 2003.** In prayer the Lord elaborated on the prophecy He gave me to speak April 1, 2003 about Iraq and the dream He gave April 6, 2003 as confirmation for the prophecy.

“The dog has been removed. [The dog in the dream represented the leader of Iraq and his government]. America won the battle but lost the war. Look at the conditions in Iraq today. Look at what happened when the America military ceased fighting and declared success. The government is destroyed, the palaces of the leader of the government have been destroyed. Looting and killing taking place in the streets. There is little food, water, fuel, or electricity. Chaos reigns and rules.

Now I will inflict seven times the chaos in Iraq to America. The military of America will not go out anymore, but will come home. Iraq representing a Trojan Horse has her belly laid open by America and out of her belly comes My judgments on America of plagues and pestilence of My choosing. Iraq, the Trojan Horse will kick and stomp her affecters in her distress. The world will hear as Iraq, the Trojan Horse cries out of its mouth to the north its hurts. Then the nations of the north will hear and join others nations to attack America. My judgments will be completed upon America to make her Godly again and to be My Church unto all nations. My Church will stand and be overcomers in tribulation.

I am God and I change not. Repent for the Kingdom is at hand.”  
Amen

**08-20-03.** The Lord in prayer this day enlightened me with more on the dream from April 6, 2003 concerning the USA in Iraq. He said the pickup sitting on the ridge with no where to go but down in what is going to happen to the US military. They will fall. He also said Bush is heading for a fall and when Bush falls the USA falls. Then the Lord spoke this—“For eight years when Clinton was president, I blessed this nation while holding sin up before this nation committed by Clinton. I rubbed this nation’s face in that sin. What did this nation do? What did the churches do? What did Christians do? I raised up Bush to withstand the pressures I am bringing upon this nation of 1/7 of seventy years of trouble. I gave him a chance to bring this nation to godliness. He repented not of his evil ways to implement

a one world government. He is full of lies, deceit, and deception and now he falls and this nation falls for they repented not.”

**05-18-04.** The Lord spoke this afternoon filling in more of what he has done and going to do. “I laid the trap and I set the snare. I made the road easy to enter into the belly of the horse by guiding and protecting them. They remained blind knowing not the snare is now set for my will to be done. Escape now while there is time for tomorrow will be too late.”
