A message from the Holy Ghost.

Date: September 13, 2001
Time: 10:00 AM

Because of sin and disobedience trouble is upon this nation. This nation has turned its back to Me. Now I will bring judgments upon all—churches and Christians included. There will be life or death in the words of My chosen ones I am preparing and will be sending out. But before I release and send them out, I must set certain things in order.

September 11, 2001 I brought this nation to a stand still, shook its foundation and brought punishment by death for the many sins of this nation. You ask, why so many had to die? I ask, how many have you killed by abortion? The babies you killed were nameless, faceless and unloved to you, but I knew them all and loved them all. Now you know the ones that are dead, because to you they had names, faces and were loved. You say “God would not do something like this “. Read My Word. I am the Lord, I change not, therefore you sons of Jacob are not consumed. Even from the days of you fathers you have gone away from My commands and have not kept them. You are destroyed because you don’t know Me. It is you fault, you priests, for you refuse to know Me. Not I refuse to recognize you and bless your children until those who are wise understand these things. Let those who are discerning listen carefully. The path of the Lord is true and right; and righteous people live by walking in them. But sinners

stumble and fall along the way. I can no longer bless this nation because its sins are a stench reaching into the heavens. But you say this is Old Testament. Again I am God, I change not. Jesus Christ is the same yesterday, today and forever. You have changed. You withdrew from Me and worse you never drew close to Me. Do you think My grace covers sinning? No, for I am holy and to serve Me you must be holy by not conforming to

this world, but be transformed by the renewing of your mind that which is good and acceptable and perfect in My will. Let Me transform you into a new person by changing the way you think. Then you will know what I want you to do. Repent and return to Me. I will forgive you and restore you.

Now listen churches of America. You are in sin. How? You disobey My Word. I will move. Waiting is over. I will shake the spiritual foundations of our doctrines that are incomplete and knock your spiritual doors off of their hinges. I am bringing you to your knees. Church leaders, you are in sin of pride and disobedience. This will be your downfall. For you have held on to your idols of fake doctrines giving false and

incomplete advice and false comfort. And My flock is troubled and not mature for the things to come. I will remove the wolfs in shepherd skins from My flock. While you are in disorder and on your knees, both sheep and shepherds you will be in a humble position and your spiritual eyes and ears will be ready to listen to what I have to say. My messengers will be sent to proclaim My message I have for you. These messengers are

My chosen ones that have been held back and trained by Me just for this time. They will be empowered from heaven. The words they speak will be life or death. They will have latter rain empowerment, greater than the beginning empowerment. Listen to these messengers, for they come to harvest and make ready My church and My servants for the final battle.

You can deny Me, but I am moving now, My presence will be seen and known. I will be feared and given reverence again. For great fear gripped the entire church and all others who heard what happened to Ananias and Sapphira. What was their sin? They lied to Me in their deception. This day judgment and punishment is again empowered as in the beginning, but amplified. I remind you, this is New Testament.

I sent my son Jesus to forgive your sins by his blood. But nothing has changed since I chose Israel as My chosen ones. They sinned and died and your continued sinning will bring death. I have unlimited blessings to pour out upon My children, but their sin stops the flow. What happen September 11, 2001 is only the beginning of many more punishments and judgments to befall this nation and will continue until full repentance comes. So humble yourselves before Me and draw back close to Me so I may protect and bless you and forgive you. When you bow down before Me and admit your complete dependence on Me, I then will lift you up and honor you as My children.

I love you and want to hold you close, but sin separates us. Turn back to Me, let Me lift you up, honor you and prepare you for the close of this age. For all must be My soldiers tomorrow and the days following. A good soldier is willing and ready to give his life on the battlefield. My son gave his life for you. Are you ready to give your life for him?

Listen to the chosen ones I am sending to the churches and obey. It will be spiritual life for you. I am moving visibly now. I tarry not. I am coming. But all things must be set in order before I come.
