September 18, 2008 @ 4:30 AM to 6:15 AM

I woke up at 4:00 AM this day and was trying to go back to sleep. I became uncomfortable and fidgety. At 4:30 the Lord said to write. What He spoke this day, He began last night as I went to bed. As I heard the Lord and began to write, my spirit grieved. I dropped my pen on the pad that I was writing on several times in my grief. I must give what the Lord spoke for I cannot hold it in or I would burst. Please read Ezekiel chapter 32 after you hear what the Lord has spoken to receive understanding and wisdom as to why the Lord spoke these words.

America Will Crumble

“Who has understanding? Who has wisdom? Who has eyes to see? Who has ears to hear? Who knows it is I the I AM that sit on heavens throne bringing disaster to America? You whose homes have been destroyed by wind and water, who do you look to for help? It is not I that your eyes and ears seek. It is not I that you worship. It is not I that you listen for to receive instruction. Your god and idol is your government that you cry out to. You do not see or care that your god you worship leads you on the broad path to slaughter. You lay your requests upon their altar of death and destruction. You have given them power over you. You accept their promises which are lies to trap you with their snares. Your god is blind and you are blind. Both of you will fall. Why? Because both of you are full of pride, saying together we will overcome the judgments I have caused to fall upon you.

Since you have repented not, there is more to come upon this nation of people called America. Next is earthquakes that will swallow whole cities and rural areas. There are volcanoes that will cover cities and rural areas. Destruction is certain and will be complete as My judgments are completed. What you are beginning to see in shortages will increase. This nation will lie in ruins as My hand finishes its sweep across it. The financial system will collapse. There will be no food and fuel but disease that will suck the life from you. The government you worship will disintegrate. The people and the government that arise will fight. People against people will fight. In the midst of all of My destruction, you will kill each other over a scrap of food or a pint of fuel. The path you are on seems right but leads to death. I am the Lord God that's directs your steps to death and destruction because of idol worship.

Repent. Repent I cry out that I may lift My hand and stay these last and final judgments. Allow Me to save you. Repent and listen to My Spirit. Repent and heed the remnant that I have set aside to lead you to My truth. Without repentance now, death from My final and last judgments of earthquakes and volcanoes will be of such magnitude there will be none left to bury the dead. There will be none left to search the rubble for the living. The type of current destruction that you are experiencing will not let up. I warned by My prophet in 2000 that there

would be 1/7 of 70 years of trouble upon this nation beginning in 2001 when Bush took the office of the president of this nation. Without repentance by 2011 this nation will lie in ruins totally devastated. Even the rich and those in power will not escape. You have changed not remaining sinners serving your gods. I change not.

Just as I blessed the house of Jacob called Israel giving them the Promised Land, I have blessed this nation of immigrants who crossed the seas to settle here. By My hand I lead the remnants of the house of Jacob called Israel from the many nations that I scattered them to this land. I judged Israel in their Promised Land because of idol worship of other gods. They became murderers being filthy and foul. Their day of destruction was completed. This nation America has become more filthy and foul in this land. They are liars filled with sin. It is time for your punishment to be completed because you repent not.

I am God and I love you. Heed My words. Let the power of My words be a sword in your side to awaken you to the evil arising in you and around you. Fear not what you see. Fear Me and repent that you will receive understanding and wisdom. Fear Me and live. Fear Me that you may find and walk the narrow path. Fear Me and receive My mark and not the mark of the beast that your eyes and ears are focused on at this time. I am God and My message has been given. Repent and serve Me. Repent not and you will serve the evil arising. I am God and I change not. Repent and be ready to receive My Son when I send Him. Read My word and know the signs of the times. Repent and be ready every day as your salvation draws closer. Repent and chose life and not death.” Amen.

Sin is sin even if Jesus Christ is our Lord and Savior. If we continue in that sin, we die. If we repent of that sin, we live. If we hear the words of the Lord and do them not, we sin and die. We will all be judged by our deeds and the words of our mouth. The Lord takes no pleasure in the death of evil people. He only wants us to turn from our wicked ways by repenting and living. If we see all of the words of the Lord come to pass, we will know a prophet has spoken. God does nothing without telling His prophets. Who will see and hear? Amen.

In His Service,
John A. Kropf
