In the dream this night I was traveling with a group looking for the land of utopia. Arriving upon a ridge of a hill, we could see for miles. One of the young men in our group took off running toward the horizon in the distance. The leader chased after him and the sight of both was lost in the distance. The group moved on in the direction of the young man and the leader.

Then I was in a building with other people. They were discussing an election for something that was going to be voted on. The building was laid out as a church would be. Then I saw the young man from our group with a young woman. We as a group were singing a church song and as we finished the young man and woman were singing a song loudly of their own making. They were asked to leave.

The discussion continued. I pickup up one of the hand outs and it had someone else's name on it. I asked a question about having material with the wrong name on it. I identified myself with my business name from Meade, Ks. After I spoke there was a stir in the group and a woman came walking down the aisle claiming to be my wife. She was not my wife and I left the meeting. I walked a distance and sat down next to a small building. I sat looking out across a field of ripen wheat. On the far side of the field a combine was harvesting. I sat looking and praying in the spirit. A wind started rippling the heads of wheat and was moving toward me. I continued to pray in the spirit. The wind approached me and went on both sides of me never touching me.

Other men started showing up and sat down with me. They discussed the abuses they were suffering in this land. One man showed me his buttocks. They were raw and oozing blood.

I then within the dream saw a vision of a man's head that looked mechanical made out of metal. The metal head was scaly metal like fish scales. He had a long nose that was limber that resembled a tiger's tail. He was whipping it about as he sat at the head of a table waiting for other to show up at his meeting. In the vision I knew he used the tail like a whip for disciple. I then saw myself with what may have been his nose flushing it down a commode. As it was flushing the head of a snake rose up out of the water hissing and then went down the commode and was no longer seen.

Here is what the Holy Spirit showed me. The group represents those Christians running to and fro looking for a move of God calling themselves God chasers. They find not God, but places claiming to be godly with false and incorrect teachings of doctrines. They are deceived and deceive those who come seeking. Their harvest is false and those partaking of the harvest only bruise themselves and are bruised by the deceivers. These meetings consist of leaders who whip and instill fear in their people that agree not with them. But God is going to bring an end to these meetings and places in judgments. They will resist and put up resistance and will be seen no more.

From the eyes of my heart true God chasers will find God in their prayer closet; if they come into the truth of the Word and let the Holy Spirit teach them. There they will be blessed and made ready for God's purpose in their lives.

Matthew 24:23-26 **23** *"Then if anyone tells you, 'Look, here is the Messiah,' or 'There he is,' don't pay any attention. 24 For false messiahs and false prophets will rise up and perform great miraculous signs and wonders so as to deceive, if possible, even God's chosen ones. 25 See, I have warned you. 26 "So if someone tells you, 'Look, the Messiah is out in the desert,' don't bother to go and look. Or, 'Look, he is hiding here,' don't believe it!* (NLT)

Matthew 6:6 **6** *But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.* (KJV)
